NOTICE OF PERSONS WISH TO BE A PARTY TO PROCEEDINGS
TO The Registrar FORM 33
Environment Court
Wellington.

1 We, Alistair Robert Boyne and Jennifer Beverley Boyne wish to be a party to the following proceedings and support the appellants Appeals to the Environment Court :

ENV-2019-WLG-000126 by Federated Farmers of New Zealand

ENV-2019-WLG-000133 by Beef and Lamb of New Zealand

ENV-2019-WLG-000109 by Daniel Thomas Spencer Riddiford

of the PROPOSED NATURAL RESOURCES PLAN for Greater Wellington Regional Council.

2 We have an interest greater than the general public, because we farm livestock (Sheep and Beef) at Tora Station on the South Wairarapa Coast east of Martinborough

3 We are not* a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.

4 We were invited by the Respondent Greater Wellington Regional Council in January 2015 to be a member of their Focus Consultation Group on Livestock Access to Surface Water Bodies policies and rules for the proposed Natural Resources Management Plan. We believe that Greater Wellington Regional Council consultation was misleading in terms of caselaw and our written submission on the Draft proposed Natural Resources Plan November 2014 and involvement in the Focus Group should be treated as equivalent to a submission.

5 We are interested in all of the proceedings

6 We especially oppose Landuse Rules 95-101 constraining Vegetation Removal, Earthworks and Livestock Grazing since over time these will force us to abandon livestock farming and amount to a substantial deprivation of our property rights in terms of the Supreme Court decision in *Waitakere City Council v Estate Homes Ltd* [2007] NZLR 149 at para 44 and following

7 We agree to participate in mediation or other alternative dispute resolution of the proceedings.
