I am the following party to these proceedings:

Section 274 party

I seek the following waivers:

- Waiver of time for serving our Section 274 notice.
- Waiver of service requirements. Despite being mana whenua and having a critical position in resource management in our region we have no resource as an organisation to engage in this process, and are having to engage on a voluntary basis without any capacity support from local government. We do not have the means to meet the service requirements of this form. If this was a requirement for remaining engaged in this process we would not simply would not be able to remain engaged.
