MAY IT PLEASE THE PANEL

1. This Memorandum of Counsel is filed on behalf of Rangitāne Tū Mai Rā Trust and Rangitāne o Wairarapa in relation to the cultural evidence for Hearing Stream 4 Topic, Water Quality and Storm Water.
2. Despite best efforts we advise that Counsel is unable to meet the proposed deadline of Friday, 26 January 2018 for pre-circulation on the basis that the clients have provided significant additional material and amendments and we will require time to include that in the cultural evidence being prepared. Accordingly, we seek an extension until **5pm Friday, 2 February 2018**.
3. We submit that the delay is unlikely to prejudice any other party. The evidence will still be pre-circulated within the two weeks prior to Hearing Stream 4.

Dated: 26 January 2018
