PROPOSED NATURAL RESOURCES PLAN FOR THE WELLINGTON
REGION**

HEARING PANEL MINUTE 12

Hearing Stream 1

27 June 2017

MINUTE/DIRECTIONS FOLLOWING PARTIES RESPONSES TO MINUTE 5

1. Conferencing on the definition of Regionally Significant Infrastructure (RSI), is taking place today Tuesday 27 June 2017.
2. In our request for that conferencing we set out in Minute 7, dated 15 June 2017, that;

“the conferencing participants will be limited to expert planning witnesses only and only those submitters who have tabled or presented expert planning evidence in Hearing Stream 1 in relation to those two matters shall attend.”
3. Today, the Panel received a retrospective request for a waiver to allow a different planning expert to that who prepared evidence for Hearing Stream 1, to attend the RSI conferencing session.
4. The request is from the Wellington International Airport Limited (WIAL), to allow Ms C Hunter, a planner at Mitchell Daysh, to attend the conferencing session on the definition of RSI. The reason for seeking the waiver set out in the request is that Mr J Kyle for the consultant planner who prepared evidence for Hearing Stream 1, is not available for the conferencing session.
5. The memorandum for the retrospective request from Ms Dewar, legal counsel for WIAL, set out that, in line with the Panel’s previous memoranda on such waivers, that Ms Hunter has adopted Mr Kyle’s evidence and that Ms Hunter understood that she was not able to raised additional matters beyond the scope of that evidence.
6. Accordingly, recognising the matters set out in paragraph 5 above, the waiver is granted.
