MEMORANDUM GRANTING LEAVE TO FILE LATE SUBMISSIONS FROM RANGITĀNE O WAIRARAPA

Hearing Stream 3

1. The Hearing Panel, on Friday, 22 September 2017, received a request seeking leave to file late submissions in response to questions from the Panel in relation to Water Allocation/Natural Form and Function Topics for Hearing Stream 3, from Rangitāne o Wairarapa (Submission #279).
2. The request, sought a delay until 5pm on Friday, 29 September 2017 to file said further submissions.
3. Noting the request was filed on the original due date for said submissions, the request is reluctantly granted.
4. As a consequence of this extension, the reply statement from Ms Legarth on the Natural Form and Function topic is now due at 5pm on Friday, 13 October 2017. For completeness, we note that the due date for the reply statement for the Water Allocation topic is dependent on the outcome of expert conferencing which is yet to be completed. We will issue further memorandum once the initial conferencing is completed.
