MEMORANDUM GRANTING LEAVE TO FILE EVIDENCE LATE FROM WELLINGTON WATER LTD

Hearing Stream 6

1. The Hearing Panel, on Monday, 14 May 2018, received a request seeking leave to file evidence late, from Wellington Water Ltd (Submission #135).
2. Mr Slyfield, counsel for Wellington Water Ltd, sought a delay of five working days to file evidence for Hearing Stream 6; that evidence being due at 5pm on Friday, 18 May 2018.
3. The date requested for filing by Wellington Water Ltd, is that of 25 May 2018. The reason for the request relates to the topic of the protection community drinking water supplies being one of the main topics of Wellington Water's submission and the additional time required to integrate technical and planning evidence in response to the highly technical GNS reports that accompany the Section 42A report of this topic.
4. The request is granted. The evidence for Wellington Water Ltd is due at 5pm on Friday, 25 May 2018. This will still allow adequate time for this evidence to be considered by the Panel, the Council and other submitters before the hearing commences on the 28 May 2018.
