## NOTICE OF PERSON'S WISH TO BE PARTY TO PROCEEDINGS

*Section 274, Resource Management Act 1991*

**To:** The Registrar  
Environment Court  
Wellington

1. Porirua City Council (**the Council**) wishes to be a party to the following proceedings, being an appeal regarding the Proposed Natural Resources Plan (**Proposed Plan**) for the Wellington Region.

ENV-2019-WLG-117: *Wellington International Airport Limited v Wellington Regional Council*

2. The Council is a local authority (section 274(1)(b) of the Resource Management Act 1991 (**RMA**)).
3. The Council is not a trade competitor for the purposes of section 308C or 308CA of the RMA.
4. The Council is interested in part of the proceedings.
5. The parts of the proceedings the Council is interested in are:
  - (a) New objectives;
  - (b) Objective O12;
  - (c) Policy P4;
  - (d) Policy P7; and
  - (e) Policy P12.
6. The Council supports the relief sought by Wellington International Airport Limited (**WIAL**) because:
  - (a) The Proposed Plan must recognise the importance of, and provide for, the operation, maintenance and upgrade of infrastructure. This includes appropriate consideration of the potential for other development to affect infrastructure. Accordingly, the Council is seeking amendments to ensure that infrastructure is appropriately acknowledged and is not unjustifiably constrained;

- (b) The amendments sought by WIAL seek to reduce the absoluteness of these provisions. The Council supports the inclusion of flexibility in the Proposed Plan to enable necessary work to manage and maintain infrastructure, and to provide for existing urban development and future urban growth areas; and
- (c) The matters in the appeal generally align with the appeal by the Council (ENV-2019-WLG-000116: *Porirua City Council v Wellington Regional Council*) and the submissions which the Council made on the Proposed Plan.
7. The Council agrees to participate in mediation or other alternative dispute resolution of the proceedings.

**DATED** this 9<sup>th</sup> day of October 2019
