**NOTICE OF REPRESENTATION AT PROCEEDINGS  
UNDER SECTION 274 OF THE RESOURCE MANAGEMENT ACT 1991**

---

To: The Environment Court Registrar  
PO Box 5027  
Wellington

1. Z Energy Limited, BP Oil New Zealand Limited and Mobil Oil New Zealand Limited (“the Oil Companies”) wish to be a party to the following proceedings:
  - 1.1 ENV-2019-WLG-000108 between Transpower New Zealand Limited (“Appellant”) and Greater Wellington Regional Council (“Respondent”) in relation to the respondent’s decisions on submissions to the Proposed Wellington Regional Plan (“the Proposed Regional Plan”).
2. The Oil Companies lodged submissions on the Proposed Regional Plan on the subject matter of the proceedings.
3. The Oil Companies receive, store and distribute refined petroleum products. Within the Wellington Region, the Oil Companies own, operate and/or supply service stations, truck stops and various commercial activities, including Wellington International Airport. These facilities provide an essential service to the residents and businesses of Wellington Region.
4. The Oil Companies also own and operate bulk storage facilities and associated pipelines, including located at Seaview and adjacent to Wellington Airport, from which petroleum products are distributed throughout the region and beyond. These facilities are recognised in the Proposed Regional Plan as regionally significant infrastructure and are critical to the functioning of the region as a whole.
5. The Oil Companies are not trade competitors for the purposes of section 308C or 308CA of the Resource Management Act 1991.
6. The Oil Companies are interested in the following matters raised by the Appellant:
  - 6.1 Policy P12: Benefits of regionally significant infrastructure and renewable electricity generation facilities (paragraph 13).
  - 6.2 Policy P132: Functional need and efficient use (paragraph 24-25).
7. The reasons for the Oil Companies’ interest in these matters are as follows:
  - 7.1 The Oil Companies seek to ensure that the provisions of the Proposed Regional Plan continue to provide appropriate recognition and provision for the Oil

Companies' assets, in particular those comprising regionally significant infrastructure; and do not unreasonably and/or unnecessarily restrict the Oil Companies' development and maintenance activities and oil industry standardised procedures. The Oil Companies also seek to ensure that the Appellant's appeal does not prevent the outcomes sought in the Oil Companies' own appeal from being achieved.

7.2 The Oil Companies have an interest in the relief sought in relation to Policies P12 and P132. The Oil Companies are not necessarily opposed to the amendments proposed, however, in some instances the implications of the relief sought are uncertain and the Oil Companies wish to be privy to any further amendments to ensure that the operation, maintenance and upgrade of their assets are appropriately provided for.

8. The Oil Companies agree to participate in mediation or other alternative dispute resolution of the proceedings.
