<b>Environment Court Ref No</b>	<b>Name of Appellant</b>	<b>Part(s) of appeal of interest to Wellington Civic Trust</b>	<b>Support/Oppose relief + reasons</b>
ENV-2019-WLG-000118	CentrePort and CentrePort Properties Ltd	Items 6 (e) and (f), (m) to (p), (t) and (u) in the Notice of Appeal	Opposes the relief sought in relation to policies P46 and P47 and the identified Heritage Rules, as the relief sought, while intended to be for the benefit of Port development, will have potential adverse policy and practical consequences for other heritage items and will therefore be inconsistent with the RPS and the RMA. In relation to the incorporation of Glasgow Wharf in Schedule E2, the

			decision was soundly-based and in accordance with the RPS and the RMA. In relation to the “common Schedule E deletion” the relief sought extends the purpose of the decision and will have adverse implications beyond the areas of the Port’s interest.
