

Notice of Wellington Water Limited's wish to be party to proceedings

**To the Registrar
Environment Court
Wellington**

1. Wellington Water Limited (**WWL**) wishes to be a party to the following appeal of decisions on the Proposed Natural Resources Plan for the Wellington Region:

Transpower New Zealand Ltd v Wellington Regional Council, ENV-2019-WLG-000108

2. WWL is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
3. WWL agrees to participate in mediation or other alternative dispute resolution of the proceedings.
4. WWL is interested in the part of the proceedings related to:

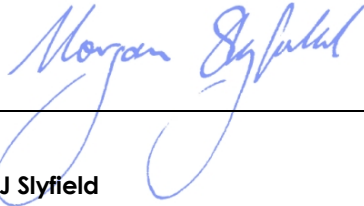

The definition of "operational requirement"

5. WWL supports the relief sought on this part.
6. The relief sought is aligned with the National Planning Standards. It will better recognise and provide for regionally significant infrastructure.
7. WWL is interested in the part of the proceedings related to:

Policy P12 - Benefits of regionally significant infrastructure and renewable electricity generation activities

8. WWL conditionally supports the relief sought on this part.
9. The relief sought resolves WWL's concerns regarding the locational limits on the benefits. It will better recognise and provide for regionally significant infrastructure and achieve Objective O12 of the Plan. WWL's support is conditional because WWL has also appealed Policy P12, and conditionally supported an appeal on Policy P12 by the New Zealand Transport Agency, so its support for the relief sought by Transpower New Zealand Ltd is subject to the matters raised in those related proceedings.
10. WWL made submissions on the definition of "operational requirement", Policy P12, and has an interest in the parts of the proceedings identified in this notice that is greater than the interest that the general public has,

because those parts relate to provisions that affect freshwater, stormwater and wastewater infrastructure and services, for which WWL is responsible.
