

Report 99.413

9 July 1999

File: C/1/2/1

[Report:1999-413.RvS:lb]

Report to the Environment Committee
from Rian van Schalkwyk, Manager, Emergency Management

Six Monthly Activity Report

1. Purpose

To advise the Committee on the programme of work carried out by the Emergency Management Department to ensure that the Council can respond effectively to an emergency event.

2. Activities

Attachment 1 to this report briefly describes the activities undertaken in the period January to June 1999. This six-monthly activity report is part of our short-term performance indicators as set out in the document "Facing the Future".

3. Recommendation

That the report be received and the information noted.
