

Incident Summary for 01/07/1999 till 16/08/1999

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Yearly Alleged Source Count</i>	<i>First Response (mins)</i>
4551	01/07/1999 14:25	Sickly sweet vanilla odour from neighbouring tobacco manufacturing plant. Petone, Lower Hutt.	Not objectionable or offensive at the time of investigation. The tobacco manufacturing company is currently looking at odour mitigation technology for their plant.	1	36
4552	02/07/1999 13:32	Spill of concrete grinding additive at a manufacturing company. Elsdon, Porirua.	Spill due to high winds. Pipe had come loose and spilled the additive outside the bunded area. The wind had then blown the additive across the carpark to the stormwater drain. NZ Fire Service and Porirua City Council contacted. The drain was blocked and a sump sucking truck cleaned it out. Minimal discharge to the stormwater system which would have been highly diluted when it reached Porirua Harbour. No obvious adverse environmental effects.	1	50
4555	02/07/1999 14:25	Sickly sweet solvent odour. Seaview, Lower Hutt.	A faint odour was detected but the source could not be confirmed due to the strong gusty wind conditions.	1	35
4557	05/07/1999 09:05	Offensive sewage odour. Happy Valley, Wellington.	Odour traced to toilet vent. Passed complaint on to the Wellington City Council.	1	35
4564	05/07/1999 09:10	Offensive odour. Rangoon Heights, Wellington.	Complaint received after the incident occurred, therefore no investigation was made. Complainant advised of Wellington Regional Council's 24 hour Incident Response Service for any future incidents.	1	1
4558	05/07/1999 14:05	Foam on Lyall Bay beach. Lyall Bay, Wellington.	Foam was natural and due to heavy seas over last few days.	1	25

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4556	05/07/1999 20:49	Smelly fish odours coming from a local fish factory. Gracefield, Lower Hutt.	No offensive or objectionable odour noted during the investigation.	1	55
4559	06/07/1999 12:00	Offensive toxic odour. Lyall Bay, Wellington.	Objectionable odour confirmed. Traced to nearby manufacturer.	1	5
4574	06/07/1999 17:17	Offensive chemical odour. Lyall Bay, Wellington.	Officer noted a discernible burning/welding like odour. Odour not offensive or objectionable at the time of investigation.	2	38
4624	07/07/1999 14:12	Temporary sewage discharge notification. Whitby, Porirua.	Health warning signs erected by Porirua City Council.	1	1
4570	08/07/1999 16:15	Dead seal on Titahi Bay Beach. Titahi Bay, Wellington.	Dead seal removed by Wellington Regional Council and disposed of at a landfill.	1	1125
4571	09/07/1999 15:30	Car rental and storage companies washing cars over the stormwater sumps and therefore discharging waste to the stormwater system. Lyall Bay, Wellington.	Incident Response officers to monitor situation and supply the companies with an education pamphlet on stormwater, once the pamphlets become available.	1	30
4577	09/07/1999 17:25	Sewage odour. Kowhai Park, Wellington.	Officer did not consider the odour to be offensive or objectionable at the time of investigation.	1	52
4579	09/07/1999 17:41	Sewage odour. Kowhai Park, Wellington.	Officer did not consider the odour to be offensive or objectionable at the time of investigation.	2	39
4580	11/07/1999 13:15	Asbestos possibly uncovered from under concrete pathway. Johnsonville, Wellington.	Public health authorities notified. Further analysis identified material as white asbestos. Resident advised by public health officer of appropriate disposal methods and associated health and safety issues.	1	36

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4290	11/07/1999 13:16	Offensive odour and smoke. Newtown, Wellington.	Officer did not consider the odour to be offensive or objectionable at the time of investigation.	1	87
4584	12/07/1999 08:10	Offensive fish odour from fish factory. Wellington Central.	Odour was not offensive or objectionable beyond the boundary of the fish processing factory at the time of investigation.	1	50
4582	12/07/1999 08:20	Offensive fish odour from fish factory. Wellington Central.	Odour was not offensive or objectionable beyond the boundary of the fish processing factory at the time of investigation.	2	40
4572	12/07/1999 08:25	Smoke coming from stack at bakery. Newtown, Wellington.	At the time of investigation, there was only white steam observed and no offensive or objectionable odour detected.	2	35
4575	12/07/1999 09:50	Offensive plastic odour. Lyall Bay, Wellington.	Odour detected but unable to confirm the source.	3	25
4573	12/07/1999 09:55	Offensive plastic odour. Lyall Bay, Wellington.	Officer did not consider the odour to be offensive or objectionable at the time of investigation.	4	20
4576	12/07/1999 11:25	Offensive sewage odour. Owhiro Bay, Wellington.	Unable to assess odour at the complainants property, as complainant was not present.	1	80
4589	13/07/1999 11:45	Raw effluent odour detected since 0800 that day. Odour still present and getting worse as day gets hotter. Seaview, Lower Hutt.	Objectionable odour confirmed coming from nearby waste management company.	1	40

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4600	13/07/1999 14:40	Waiwhetu stream at Naenae is looking milky white. Naenae, Lower Hutt.	Source traced to an industry in Naenae. Company responsible warned and asked to stop the discharge. They were then asked to look at interim ways to minimise or filter the discharge going into the stormwater system. They were then asked to investigate ways to stop the discharge entering the stormwater system altogether. The industry will be randomly monitored.	1	30
4611	13/07/1999 16:53	Taupo Stream discoloured. Plimmerton, Porirua	No discolouration at the time of investigation. No signs of a discharge.	1	54
4595	14/07/1999 07:14	Odour from nearby abattoir. Rangoon Heights, Wellington.	Complaint logged. No odour at the time the complainant was contacted.	2	16
4592	14/07/1999 09:34	Offensive odour. Rangoon Heights, Wellington.	Odour detected in Rangoon Heights but not considered to be offensive or objectionable.	3	28
4601	14/07/1999 13:27	Objectionable burnt metallic/plastic odour from nearby industry. Lyall Bay, Wellington.	Industries are currently looking at ways to solve the odour problem.	5	21
4603	14/07/1999 15:10	Smoke from burning of gorse in nearby land clearance causing a nuisance at place of work. Grenada North, Wellington.	Complaint passed on to Wellington City Council to investigate.	1	18
4698	15/07/1999 16:20	Brown sticky material being deposited on cars. Paraparaumu.	Complaint logged at complainants request. Complainant informed of action the Wellington Regional Council is taking to establish the cause of the problem.	1	1
4612	15/07/1999 19:24	Sewage odour. Strathmore Park, Wellington.	No sewage odour present at the time of investigation.	1	26
4614	15/07/1999 20:58	Landfill odour. Happy Valley, Wellington.	No objectionable or offensive odour at the time of investigation.	3	44

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4615	15/07/1999 21:14	Unbearable sewage odour. Happy Valley, Wellington.	No objectionable or offensive odour at the time of investigation.	4	22
4604	16/07/1999 09:26	Creamy rich sewage odour hanging in the air. Happy Valley, Wellington.	Officer did not detect an odour at the property of the complainant, at the time of investigation.	5	18
4605	16/07/1999 11:00	Rotten egg odour from nearby landfill. Happy Valley, Wellington.	Officer did not detect any odour at the property of the complainant. However further investigation at the nearby landfill confirmed a sewage centrate spill into the stream which may have been responsible for the odour described by the complainant.	6	28
4606	16/07/1999 11:59	Objectionable sewage odour from nearby commercial landfill. Happy Valley, Wellington.	Complaint was investigated in conjunction with an earlier complaint which confirmed a sewage centrate spill into the stream at the nearby landfill.	7	49
4680	16/07/1999 12:00	Sewage odour. Strathmore Park, Wellington.	Complaint received after the event. Complaint logged. See investigation on 15/07/99..	2	1
4598	16/07/1999 12:20	Odour from nearby food premise. Wellington Central.	Details of complaint received too late to investigate.	1	2
4616	16/07/1999 13:07	Unpleasant odour on western side footpath of Lambton Quay. Wellington Central.	Presence of objectionable odour confirmed. Odour appeared to be coming from a sump under the footpath outside the complainants work premises. Wellington City Council asked to check this sump.	1	16
4607	16/07/1999 13:10	Offensive and objectionable offal odour from nearby waste treatment yard. Seaview, Lower Hutt.	Officer did not detect any offensive or objectionable odour at the time of investigation.	2	20
4617	17/07/1999 09:50	Plastic waste being dumped at a closed landfill. Otaki.	Landfill did not have a current resource consent to accept non-clean fill.	1	85

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4641	19/07/1999 11:27	Sewage odour. Happy Valley, Wellington.	Offensive odour confirmed. Unable to trace source.	1	23
4643	19/07/1999 13:00	Sedimentation of Wellington Harbour from earthworks at Snapper Point. Roseneath, Wellington.	Earthworks confirmed as the source of the silt discolouring the harbour at Snapper Point, Wellington. Earthworks company requested to install silt control, Wellington City Council to monitor.	1	10
4599	19/07/1999 17:34	Annoying burning electrical odour. Rongotai, Wellington.	Source of odour confirmed as a nearby manufacturer. The odour was not offensive or objectionable at the time of investigation.	6	51
4608	20/07/1999 10:30	Spillage of oil from a fishing boat berthed at Aotea Quay. Wellington Central.	Presence of oil in Wellington Harbour confirmed. Source traced to the alleged fishing boat. Harbours Department handling this incident.	1	35
4609	20/07/1999 12:41	Odour from nearby food premise. Wellington Central.	Under Investigation.	2	5
4647	20/07/1999 12:42	Burnt chicken odour. Wellington Central.	Objectionable burnt chicken odour confirmed. Traced to nearby food premise.	3	23
4649	20/07/1999 14:15	Burnt bread odour. Newtown, Wellington.	No objectionable or offensive odour at the time of investigation.	3	10
4651	20/07/1999 16:05	Discharge from panel beaters stack onto adjacent property. Thorndon, Wellington.	Purplish-grey solid lumps observed on property. Source confirmed as the neighbouring panel beaters.	1	25
4619	21/07/1999 16:20	High pH levels noted towards the lower end of Ngauranga Stream. Ngauranga, Wellington.	Possible sources checked but unable to determine the source or cause of the high pH.	1	1060

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4610	21/07/1999 16:40	Possibly unconsented earthworks. Paraparaumu, Kapiti.	Consents Management had previously dealt with the issue. No resource consents were required from the Wellington Regional Council.	1	980
4654	22/07/1999 15:15	Plastic odour. Lyall Bay, Wellington.	Odour presence confirmed. Not objectionable or offensive at the time of investigation.	7	30
4658	22/07/1999 16:30	Cleanfill site operating after expiration of resource consent. Island Bay, Wellington.	No signs of recent operation.	1	1060
4665	22/07/1999 16:30	Dumping of non-clean fill. State Highway 2 adjacent to Wellington Harbour. Wellington.	Presence of non-clean fill confirmed. Includes metal, wood, and organic matter. Responsible party asked to remove non-clean fill.	1	1135
4656	23/07/1999 09:04	Strong odour at approximately 0630 this morning. Island Bay, Wellington.	Notification received approximately 2.5 hours after the incident. No objectionable or offensive odour present at the time of investigation.	1	26
4660	23/07/1999 09:50	Dumping of non-clean fill. Mangaroa, Upper Hutt.	Fill was clean. No issues for Wellington Regional Council.	1	136
4623	23/07/1999 10:50	Smell from a fish processing plant. Seaview, Lower Hutt.	No offensive or objectionable odour noted during investigation.	2	20
4686	23/07/1999 13:00	Strong burning rubber smell. Tawa, Wellington.	No odour detected. Odour allegedly strong in the early morning. Complainant advised to ring when odour present.	1	15
4731	23/07/1999 15:03	Chemical odour on the 13th tee of Miramar Golf Course. Strathmore Park, Wellington.	Chemical odour detected at golf course and traced to nearby pumping station.	3	32
4625	24/07/1999 09:50	Yellow scum on a Pauatahanui Inlet beach near State Highway 1 road bridge. Mana, Porirua.	Yellow scum identified as pollen.	1	55

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4622	24/07/1999 10:10	Offensive odour from nearby food premise. Wellington Central.	Odour presence confirmed. Objectionable and offensive odour confirmed. Traced to alleged food premise.	4	10
4674	26/07/1999 10:31	Burning odour. Lyall Bay, Wellington.	Objectionable odour confirmed. Traced to a nearby foundry. Foundry currently considering mitigation methods.	8	37
4663	26/07/1999 10:45	Burning odour. Lyall Bay, Wellington.	Objectionable odour confirmed. Traced to a nearby foundry. Foundry currently considering mitigation methods.	9	23
4621	26/07/1999 11:15	Unpleasant sewage odour. Miramar, Wellington.	No odour was detected on the complainant's property during the time of investigation.	4	28
4628	27/07/1999 11:27	Objectionable and offensive burnt metallic/plastic odour from nearby foundry. Rongotai, Wellington.	No objectionable or offensive odour at the time of investigation.	10	31
4675	27/07/1999 11:27	Pesticide odour. Epuni, Lower Hutt.	No odour present at the time of investigation.	1	58
4627	27/07/1999 12:15	Litter from a waste bin. Kilbirnie, Wellington.	Litter is a territorial authority issue, and was therefore passed to Wellington City Council for action.	1	125
4676	27/07/1999 12:35	Fishing boat dumping material into Wellington Harbour. Glasgow Wharf, Wellington Central.	Material disposed of was fish packing ice.	1	3
4632	27/07/1999 13:20	Offensive odour coming from nearby foundry. Paraparaumu, Wellington.	Complaint received after the event. Complaint logged.	1	1
4629	28/07/1999 09:20	Smoke from commercial incinerator. Shelly Bay, Wellington.	No smoke evident at time of investigation.	1	25

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4677	28/07/1999 09:34	Pauatahanui Stream discoloured. Judgeford, Porirua.	Discolouration due to natural sedimentation. Bank erosion appeared to be the source of the silt.	1	46
4630	29/07/1999 11:50	Annoying burning electrical odour. Rongotai, Wellington.	Light odour confirmed at complainants property. The odour was not objectionable or offensive at the time of investigation. Unable to trace source.	11	15
4631	29/07/1999 14:00	Foam and rubbish in Kaiwharawahara Stream. Northland, Wellington.	Foaming observed and slight odour noted. Water samples taken for analysis. Unable to trace the source.	1	35
4678	30/07/1999 13:40	Foam entering Takapu Stream from a stormwater culvert at the bottom of the Grenada North industrial area. Grenada North, Wellington.	Foam traced through the stormwater system to a glass distribution company. Company responsible had been washing their trucks on a sealed area adjacent to a stormwater sump. They were asked to wash the trucks over a gravel area where the biodegradable detergent could soak away.	1	20
4633	31/07/1999 09:32	Local stream was milky green and smelled of sewage. Kaiwharawahara, Wellington.	The stream appeared slightly green and milky but did not have the alleged sewage odour. Discolouration appeared to be natural.	1	23
4636	01/08/1999 10:50	Dirty brown slick with frothy edges on water at south end of Evans Bay. Kilbirnie, Wellington.	Appeared to be natural. The slick did not have an oily sheen nor an odour to it. Analysis showed large numbers of an unknown tiny organism.	1	40
4637	01/08/1999 11:36	Commercial cleanfill accepting non-clean fill. Happy Valley, Wellington.	Passed to Consents Management Department as they are currently investigating this site.	1	86
4638	02/08/1999 09:00	Huge tree blocking Waiwhetu Stream. Waiwhetu, Lower Hutt.	Complaint passed onto Flood Protection to investigate.	1	2

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4668	02/08/1999 13:50	Unidentified slick in Bradeys Bay. Whitby, Porirua.	Slick identified as floating pollen.	2	45
4693	02/08/1999 15:10	Excess silt from upstream property due to road construction. Pauatahanui, Porirua.	Evidence of excess silt build up confirmed. Under Investigation.	1	6930
4669	03/08/1999 09:55	Objectionable burning plastic/toxic odour. Lyall Bay, Wellington.	No offensive or objectionable odour detected at time of investigation.	12	25
4670	03/08/1999 09:58	Objectionable burning plastic/toxic odour. Lyall Bay, Wellington.	No offensive or objectionable odour detected at time of investigation.	13	22
4679	03/08/1999 10:10	Sewage odour. Island Bay, Wellington.	Odour traced to a spill of sewage from a broken domestic sewer pipe. Passed to Wellington City Council for action.	1	57
4689	03/08/1999 10:40	Noxious and dangerous odour from neighbour's gas heater. Wainuiomata.	Matter previously dealt with. No further issues for Wellington Regional Council.	1	1455
4671	04/08/1999 09:45	Objectionable burning plastic/toxic odour. Lyall Bay, Wellington.	Objectionable odour detected. Unable to confirm source of odour.	14	35
4672	04/08/1999 09:50	Objectionable burning plastic/toxic odour. Lyall Bay, Wellington.	Objectionable odour detected. Unable to confirm source of odour.	15	30
4673	04/08/1999 09:51	Objectionable burning plastic/toxic odour. Lyall Bay, Wellington.	Objectionable odour detected. Unable to confirm source of odour.	16	29
4667	04/08/1999 10:00	Sewage odour. Seaview, Lower Hutt.	Objectionable sewage odour confirmed. Company responsible will fix the problem which caused the odour discharge.	1	30
4707	04/08/1999 13:00	Illegal stream works in the Mangaone Stream. Te Horo, Otaki.	Under investigation.	1	8720

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4701	04/08/1999 13:45	Offensive sewage odour on complainants property. Happy Valley, Wellington.	No objectionable or offensive odour detected at time of investigation.	1	25
4703	05/08/1999 10:40	Pesticide odour, Epuni. Lower Hutt.	Very light odour detected at time of investigation. Unable to identify odour character or source. Not offensive or objectionable at the time of investigation.	2	30
4708	05/08/1999 13:35	Annoying burning electrical odour. Rongotai, Wellington.	Odour very faint at time of call. Complaint logged.	17	1
4705	05/08/1999 15:00	Yellow coloured silt in stream running through quarry. Belmont, Lower Hutt.	Subdivision in Kelson does not have any sediment control. Passed to Hutt City Council for action as they have issued a resource consent for these earthworks.	1	35
4709	05/08/1999 16:10	Silt discharge from aesthetic ponds into Pauatahanui Inlet. Pauatahanui, Porirua.	Source of silt confirmed as aesthetic ponds. Ponds to be repaired by owner.	1	1165
4710	06/08/1999 09:54	Runoff from earthworks carrying silt into the Pauatahanui Inlet. Pauatahanui, Porirua.	Passed to Porirua City Council for action.	1	146
4691	06/08/1999 13:20	Light grey/white discharge observed in the Hutt River downstream of Haywoods Hill. Manor Park, Lower Hutt.	Source of discharge traced to concrete plant. Discharge was ceased at request of Wellington Regional Council officers. Concrete plant was shut down. Replacement pump was fitted before work resumed at the plant.	1	10
4695	07/08/1999 21:03	Notified of fire at incinerator resulting in loss of power and controls, and a therefore a discharge of smoke. Miramar, Wellington.	Discharge from the incinerator's stack was pale, light white smoke. Unable to stop the discharge, however the material in the incinerator was expected to burn out within 2 days. No apparent discharge to Wellington Harbour.	1	17

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4697	08/08/1999 12:14	Odour and possibly toxic discharge from industrial incinerator stack. Miramar, Wellington.	Discharge from industrial incinerator stack due to fire the previous night. Unable to stop the discharge, however the material in the incinerator was expected to burn out within 1.5 days.	2	31
4700	08/08/1999 13:30	White and orange substance noticed at Hataitai Beach, in Evans Bay Wellington Harbour. Hataitai, Wellington.	Substance found to be natural. Possibly spores from seaweed.	1	1
4702	09/08/1999 08:45	Sewage discharge from boat shed noted yesterday. Evans Bay, Wellington.	No sewage discharge noted during investigation.	1	5
4719	09/08/1999 13:24	Objectionable smoke and offensive burnt oil odour from neighbouring commercial bakery. Newtown, Wellington.	Smoke and burnt oil odour confirmed. Bakery given warning and told that they may face enforcement action. Production trials were immediately implemented to test a water based lubricant in place of the vegetable oil during the Burgen bread mixing and baking process. The water based lubricant appeared to eliminate both the smoke and odour problems.	4	16
4717	09/08/1999 14:04	Objectionable burnt metallic odour from nearby foundry. Lyall Bay, Wellington.	No objectionable or offensive odour at the time of investigation.	18	36
4720	09/08/1999 16:05	Objectionable landscape scars on Colonial Knob Farm hills. Kenepuru, Porirua.	Inspected works. Works complying with permitted rule in Soil Plan, and of high Standard. Porirua City Council monitoring works and giving sound advice.	1	1140
4724	09/08/1999 22:16	Spill of fuel from a rail container. Porirua Central.	Notification from company of very minor fuel spill onto rail yards. Local Dangerous Goods Inspector notified. No discharge to surface or groundwater.	1	20

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4721	10/08/1999 11:52	A milky white and rust coloured discharge is trickling out of a pipe from the neighbouring café and grill property, and into the stormwater system. Brooklyn, Wellington.	Officer plugged the pipe to stop the discharge. Investigation revealed that one of the gully traps under the café was blocked. Café and grill proprietor asked to arrange for gully trap to be unblocked.	1	33
4737	10/08/1999 14:07	Objectionable and offensive sewage odour from nearby dewatering plant. Happy Valley, Wellington.	Alleged ongoing sewage odour problem. No odour was present when complainant rang but apparently the odour was detected yesterday. Complainant informed of Wellington City Council and Anglian Waters (NZ) Limited's remediation works progress. Complainant asked to phone next time they detect the unpleasant sewage odour.	2	9
4741	11/08/1999 15:07	Objectionable and offensive odour. Happy Valley, Wellington.	Odour confirmed as objectionable and offensive. Traced to nearby toilet vent.	1	28
4718	12/08/1999 10:37	Objectionable burnt metallic odour from nearby foundry. Lyall Bay, Wellington.	No objectionable or offensive odour at the time of investigation.	19	23
4738	12/08/1999 16:15	Sewage odour at Owhiro Bay School and in front of neighbour's property. Happy Valley, Wellington.	No objectionable or offensive odour at the time of investigation.	8	15
4712	13/08/1999 08:40	Landfill odour. Happy Valley, Wellington.	No landfill odour detected during investigation.	9	45
4713	13/08/1999 09:00	Sewage odour. Happy Valley, Wellington.	No sewage odour detected during investigation.	1	25
4725	14/08/1999 08:25	Offensive sewage odour. Kowhai Park, Wellington.	No objectionable or offensive odour detected at the time of investigation.	10	49

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>Alleged Source Count</i>	<i>First Response (mins)</i>
4726	14/08/1999 12:27	Stale odour. Strathmore Park, Wellington.	No discernible odour detected from the nearby wastewater treatment plant during the investigation.	5	32
4727	14/08/1999 13:32	Browns Bay Stream discharging white liquid into the Pauatahanui Inlet. Whitby, Porirua.	The white liquid appeared to be water based paint. Unable to trace the source as the discharge had ceased at the time of investigation. No apparent adverse effects on aquatic plants and animals.	1	59
4728	14/08/1999 13:42	Burnt plastic odour. Lyall Bay, Wellington.	No odour present at the time of complaint. Complaint logged.	20	3
4729	14/08/1999 14:18	Stale odour. Strathmore Park, Wellington.	No discernible odour detected from the nearby wastewater treatment plant during the investigation.	6	32
