

## *Incident Summary for 29/02/00 till 30/04/00*

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>First Response (mins)</i>
5498	29/02/2000 09:35	Unpleasant odour from neighbouring forge. Lyall Bay, Wellington.	Complaint logged only at complainant's request.	2
5474	29/02/2000 10:10	Metallic odour from neighbouring industries, Lyall Bay	Complaint logged	2
5475	29/02/2000 13:25	Paint spill on roadway and in stormwater, Troy St, Rongotai.	Removed majority of spilled substance (plaster) from stormwater drain.	25
5477	01/03/2000 11:30	Green discolouration from stormwater drain into Oriental Bay, Wellington Harbour.	Green discolouration identified as dye from WCC dye testing.	15
5451	01/03/2000 12:50	Complaint received from the WCC regarding the discharge of antifreeze into the stormwater system, Taranaki street, Central Wellington	Source of antifreeze traced back to a local automotive workshop. Manager of the workshop informed of the complaint. Manager indicated that it was not their policy to discharge such contaminants into the stormwater system. Workers would be notified of the need to discharge liquid contaminants into the sewerage system instead or dispose to an appropriate waste disposal facility.	5
5454	02/03/2000 08:47	Unpleasant odour from nearby Wastewater Treatment Plant. Paraparaumu.	No odour detected at the time of investigation.	78
5478	02/03/2000 11:00	Diesel spilt on Karori Road, Karori	Diesel spill located on Glenmore Street Zeolite spread with the aid of the Fire Service - WCC requested to clean up.	20
5480	02/03/2000 14:22	Stream flowing bright, fluorescent green. Johnsonville.	Discolouration appears to be dye. No source identified.	38

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>First Response (mins)</i>
5455	03/03/2000 09:40	Unpleasant odour from nearby abattoir. Khandallah, Wellington.	Odour detected during investigation. Source confirmed as nearby abattoir. Odour not considered to be offensive or objectionable at time of investigation.	42
5456	03/03/2000 10:29	Metallic odour. Lyall Bay, Wellington.	No objectionable, offensive, noxious or dangerous odour at the time of investigation.	26
5457	03/03/2000 12:33	Foul odour from industrial premise. Seaview, Lower Hutt.	Some odour detected. Suspected industrial premise confirmed as the source, but odour not considered to be offensive or objectionable.	47
5495	03/03/2000 12:50	Sewage odour inside complainant's building. Wellington Central.	Passed to Wellington City Council Drainage Division for action.	10
5496	03/03/2000 13:30	Stream has dried up. Waikanae, Kapiti.	Stream is dry due to permitted water takes, and there are no minimum flow levels for this minor stream.	26010
5494	03/03/2000 15:10	Petrol leaking from a vehicle on McDonald Crescent. Wellington Central.	No petrol had reached the stormwater system. Vehicle was removed.	20
5458	04/03/2000 12:25	Boat being scraped on Browns Bay beach. Paremata, Porirua.	All scraped off material had been removed and disposed of appropriately.	170
5459	04/03/2000 13:00	Opahu stream has dried up. Lower Hutt Central.	Under Investigation.	25
5460	05/03/2000 14:39	Odour on Miramar Golf Course. Strathmore Park, Wellington.	Objectionable odour detected on golf course. The offending odour was traced to a nearby pumping station.	28
5461	06/03/2000 08:54	Pinehaven Stream discoloured on 2 March 2000 due to burst water main. Pinehaven, Upper Hutt.	Notification received too late to investigate.	4676

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>First Response (mins)</i>
5510	06/03/2000 10:38	Road culvert works north of McKays Crossing, possibly causing siltation of a nearby stream, Paekakariki.	Local contracting company for Transit New Zealand, replacing a broken culvert pipe which crosses state highway 1. Resource consent not required as the culvert was not used to divert flow from a stream but rather water runoff from state highway one. No stream evident in the immediate vicinity, just swampland.	62
5509	06/03/2000 12:37	Wood shavings from a waste disposal facility blowing down the road towards the complainant's premises.	The alleged business responsible for the discharge (according to the complainant) held a resource consent. Consents Management investigated the premises and did not see anything at the site which would suggest that wood shavings had come from there. Complaint logged.	3
5260	06/03/2000 14:20	Possibly illegal spray painting operation. Naenae, Lower Hutt.	The spray painting operation is permitted under the Proposed Regional Air Quality Management Plan for the Wellington Region.	1250
4982	07/03/2000 09:28	Kenepuru Stream is discoloured orange. Porirua East, Porirua.	The discolouration was traced to an outlet pipe with an unknown origin. Porirua City Council asked to trace the source of the pipe.	32
5481	07/03/2000 12:05	Unpleasant odour from nearby abattoir, Khandallah, Wellington	Odour detected but not considered objectionable or offensive at time of investigation.	34
5486	07/03/2000 12:16	Paint washed down stormwater drain. Newtown, Wellington.	Painting contractors and property owner warned.	30
5464	07/03/2000 13:20	Offensive odour from cafe. Island Bay, Wellington.	No objectionable, offensive, noxious or dangerous odour at the time of investigation.	12
5506	07/03/2000 13:30	Dead cow has been buried in reserve area at back of complainant's property. Paraparaumu, Wellington.	Permitted activity.	30

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>First Response (mins)</i>
5061	07/03/2000 15:35	Sewage odour. Seatoun, Wellington.	No objectionable, offensive, noxious or dangerous odour at the time of investigation.	40
5507	07/03/2000 16:33	Siltation in Pinehaven Stream. Silverstream, Upper Hutt.	Silt traced to contractors laying cables. They had accidentally hit a water main causing erosion of the trenching works and silt deposition in the stream.	2777
8794	08/03/2000 10:24	Tip odour coming into the complainant's home, Happy Valley, Wellington	Officer did not confirm an offensive/objectionable odour at the complainant's property.	23
8678	08/03/2000 11:15	Sewage odour. Wellington Airport.	Under Investigation. Odour confirmed as chemical odour.	15
5503	08/03/2000 11:50	Constant flow of waste cooking oil entering stormwater drain from food premise. Wellington Central.	Waste oil observed. Brought to the attention of café manager.	59
5502	08/03/2000 11:55	Chemical spill in Tranzrail goods yards. Wellington Central.	Situation in control of Fire Department. No adverse environmental effects likely.	25
5505	08/03/2000 13:55	Offensive odour from cafe. Island Bay, Wellington.	Complaint logged only at complainant's request.	2
5514	08/03/2000 15:23	Complaint regarding unlawful stream bank protection works, Lower Hutt.	Consent had been granted to do stream protection works.	87
5512	08/03/2000 15:28	Purple lavender-like pollution between Baleana and Kio Bays, Wellington	Under Investigation Discolouration due to a prevalent amount of purple jellyfish drifting from Evans Bay towards Baleana Bay.	65
5487	08/03/2000 16:30	Offensive odour from nearby abattoir, Rangoon Heights, Wellington.	No odour at time of visit.	33

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>First Response (mins)</i>
8796	08/03/2000 17:25	Local industrial company 'stinking' again.	Officer on duty at the time was not paged about the incident. Officer responded to the complaint the following day.	935
8786	08/03/2000 19:27	Bad smell coming from an animal vaccine property.	Officer did not confirm an offensive or objectionable odour during the investigation.	97
8791	08/03/2000 19:37	White substance noticed behind a boom located at Seaview Marina.	Officer noted a light milky white substance behind the boom. Substance looked like water based paint. Officer unable to trace the source of the substance.	51
8792	08/03/2000 20:36	Abattoir odour at the complainant's property. Khandallah, Wellington.	Officer did not confirm an objectionable or offensive odour during the investigation	84
8793	08/03/2000 21:33	Smelly odour coming from nearby landfill. Happy Valley, Wellington.	Officer detected a discernible gorse flower coconut odour.	14
5482	09/03/2000 08:11	Landfill smell, Happy Valley, Wellington.	Under Investigation No landfill odour detected beyond the landfill site boundary during investigation.	4
5488	09/03/2000 08:15	Offensive odour from nearby abattoir, Rangoon Heights, Wellington.	No odour at time of visit.	34
5069	09/03/2000 09:15	Soil pushed into Porirua Stream tributary. Glenside, Wellington.	Soil removed and stream reinstated.	195
5491	09/03/2000 09:30	Metallic odour. Lyall Bay, Wellington.	No objectionable, offensive, noxious or dangerous odour at the time of investigation.	35
5034	09/03/2000 10:00	Unconsented stream bank protection works. Glenside, Wellington.	Under Investigation.	215
5490	09/03/2000 10:35	Offensive odour from nearby abattoir, Rangoon Heights, Wellington.	No odour at time of visit.	2

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>First Response (mins)</i>
5492	09/03/2000 10:36	Offensive odour from nearby abattoir, Rangoon Heights, Wellington.	No odour at time of visit.	2
5489	09/03/2000 10:44	Offensive odour from nearby abattoir, Rangoon Heights, Wellington.	No odour at time of visit.	2
5493	09/03/2000 13:45	Bank protection works have collapsed into Porirua Stream. Glenside, Wellington.	Under Investigation.	2
8798	09/03/2000 13:50	Horrible odour from plastics factory, Lyall Bay Parade, Wellington	Officers confirmed no objectionable/offensive odours at the complainant's property.	10
8799	10/03/2000 08:56	Sewage odour, Brooklyn, Wellington.	No odour confirmed.	24
8806	11/03/2000 13:20	Sewage odour coming from a local sewage treatment plant, Moa Point, Wellington	Discernible odour confirmed as coming from the stack of the pump station located below the sewage treatment plant.	47
5000	11/03/2000 14:32	Unpleasant odour and noise from nearby café. Island Bay, Wellington.	No objectionable or offensive odour detected at the time of investigation. Noise issue dealt with by Wellington City Council.	1
8682	11/03/2000 17:21	Waiwhetu stream all brown and muddy.	Under Investigation. Source of silt and muddy water in the Waiwhetu tracked to an overflow pipe from the Naenae Reservoir.	4
8820	11/03/2000 21:49	Very bad smell coming from a local animal vaccine company	Officer did not confirm any offensive or objectionable odours during the investigation	65

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>First Response (mins)</i>
8825	12/03/2000 10:25	Soda Ash depositing out onto the complainant's property. Mount Victoria, Wellington.	Wind conditions on the day were very gusty. Soda ash transfer operations were noted at Centre port, however minimal material was travelling across and depositing out, officer observed the odd fleck however it was difficult to tell whether it was precipitated salt or soda ash. Officer did not find the deposit noted by the complainant to be causing any social or environmental effect.	10
8826	13/03/2000 10:30	Stream mouth of the Korokoro stream. Bad water quality. Dog has a red rash as a result of swimming in the stream.	Officers did not find any evidence of chemicals in the stream, aquatic flora and fauna appeared to be OK. Small fish observed swimming about.	90
8827	13/03/2000 10:30	Metallic odour, Lyall Bay, Wellington	No offensive, objectionable, dangerous or noxious odour detected at the time of investigation	106
8684	13/03/2000 12:30	Waitohu stream flowing with thick silt from bank to bank, Waitohu stream mouth, Otaki.	Under Investigation	1350
8829	13/03/2000 13:25	Diesel flowing down the Opahu stream, Lower Hutt	Officers traced the source of the diesel to a stormwater drain located in public gardens behind the Hutt City Council. HCC dangerous goods officer informed. HCC officer indicated that it was a very small amount of diesel that had probably come through during last night's rain from a sump anywhere in the immediate township. Tracking it through the stormwater system would be difficult. WRC officers set a boom at the stormwater outlet in the event that further material should come through. HCC officer asked to remove the boom.	25
5485	13/03/2000 14:10	Offensive odour from nearby industrial plant.	No offensive odour detected at the time of investigation.	42

<i>Complaint Number</i>	<i>Date Time</i>	<i>Complaint Details</i>	<i>Summary</i>	<i>First Response (mins)</i>
