Dear Mr Watson

TRANSMISSION GULLY PROCUREMENT, FINANCING AND FUNDING

Thank you for the opportunity to comment on the Price Waterhouse Coopers report. Council has considered this matter very carefully, and at its meeting held on the 21st February, agreed to support further work being carried out to refine the financial projections for the Transmission Gully project and its funding.

Council's support for the Transmission Gully project still continues to be dependent on the simultaneous upgrading of State Highway 58 as the link between the Hutt Valley and Transmission Gully.

Yours sincerely

Marilla Hood
