

caring about you & your environment

6/7/01

To: Mr. Ted Mezina, Council Secretary

High Court Action, Studies, Statutory Stipulations

1/ Thank you for your fax of this afternoon. It is clear that the Council has not approved any High Court action.

2/ The most relevant report shows its purpose: "To update the Committee on the effects of offices, etc" & concludes "with a recommendation that the report be received & the contents noted" (Report 00.879)

3/ My action would be frivolous, expensive & (as mentioned on several occasions) to our Stadium Trust names, a Bushman) lack any chance of success.

4/ Please ensure that Yes/No-type answers to my questions of 5/7/01 be tabled on 10/7/01.

Thank you Mike Gibson
