Chair
Wellington Regional Council
P O Box 11646
WELLINGTON

Dear Stuart

Thank you from Local Government New Zealand

What can I say, other than thank you.

Without your support and the support of the other Zone 4 Councils we wouldn't have been able to manage to pull together such a successful conference.

I believe this conference was essential at such a time of change and have no doubt this was reflected in the members willingness to attend at such short notice.

Wellington Regional Council not only supported the conference by way of providing money, and staff but it supported a seminar of major importance to the sector and this was magnificent.

Local Government New Zealand relies on the support of its members often and can only hope that by supporting the conference in this way Wellington Regional Council also benefited in many other ways.

Once again, thank you.

Kind regards
