Dear Howard,

Re: Local Government New Zealand Elective Surgery Conference

Thank you for all your help to ensure the recent Local Government New Zealand Elective Surgery Conference was such a success.

The conference delegates were very generous in their praise for the Zone's Mayors and Chairs, but we all know the real effort was made by you and your colleagues. The generosity and professionalism of your councils and officers was commented on many.

So again, thank you to you and those who made it such a great event.

Yours sincerely,

Sue Piper
ZONE 4 CHAIR
