

File Reference	Name1	Purpose Description	Site Description	Activity Type
WGN000071	Wellington Regional Council	To vary condition 2 of the permit to intermittently discharge supernatant from Wainuiomata washwater recovery plant, Wainuiomata Water Treatment Plant complex, into the Wainuiomata River.	Just below the Wainuiomata Water Treatment Plant site near the sludge removal area.	Industrial Waste Discharge
WGN010123	Hutt City Council	To construct and place a high-level overflow inlet structure on the bed of an un-named stream on Hair Street, Wainuiomata. Change of consent condition to include supplementary works to address scour upstream.	The culvert is on the road reserve with headwalls on the neighbouring property of Mr Clive Kendrick, weirs and gabion mattresses are upstream of the inlet on 30 and 32 Hair Street.	Outfall/Intake Structure
WGN010223	VITA New Zealand Limited	The discharge of contaminants to air from the manufacture of foam and associated processes.	Vita New Zealand Ltd site, Wallaceville.	Discharge To Air
WGN020013	Transpower New Zealand Limited	To construct a flood protection barrier to help protect substation equipment from damage in a flood event.	71 Connolly Road, Lower Hutt	Structure: Hazard Mitigation
WGN020032	Wellington City Council	To erect, use and maintain a debris arrestor in the bed of the Takapu Stream.	Tawa	Structure: General
WGN020041	Mahaki Holdings Ltd	To construct, use and maintain nine culverts and associated riprap and a debris barrier, on various unnamed tributaries of the Mauopoko Stream for access associated with a subdivision.	Nikau Lakes Stage V, Waikanae	Structure: General
WGN020046	Otaki Golf Club Incorporated	To construct a bore.	Old Coach Road, Otaki	Bore
WGN020046	Otaki Golf Club Incorporated	To take and use groundwater for golf course irrigation.	Old Coach Road, Otaki	Take
WGN020052	Kapiti Coast District Council	To vary condition 1 of landuse consent WGN020052 to more accurately reflect the extraction methodology for removing sediment from the bed of a man-made lake on the Mazengarb Drain.	Mazengarb Road, Paraparaumu.	Stream Work
WGN020061	Royal Port Nicholson Yacht Club	To discharge contaminants to the coastal marine area from a slipway used for hull cleaning.	Royal Port Nicholson Yacht Club, Clyde Quay Marina	Industrial Waste Discharge
WGN020063	Wellington Regional Council	Land use consent to erect, use and maintain a pedestrian bridge over Collins Stream for recreational access to the Tunnel Gully Reserve.	Within Tunnel Gully Reserve.	Bridge
WGN020063	Wellington Regional Council	Land use consent to place and maintain gabion baskets in Collins Stream to protect bridge abutments.	Within Tunnel Gully Reserve.	Structure: Hazard Mitigation
WGN020063	Wellington Regional Council	Land use consent to place, use and maintain a concrete block ford in the Wainui Stream to enable vehicle access to leased baches.	At the end of Bulls Run Road, Upper Hutt.	Structure: General

File Reference	Name1	Purpose Description	Site Description	Activity Type
WGN020064	Harry Ranchod	To place and use a 6 metre culvert and headwall in an unnamed stream and to undertake associated disturbance of the bed.	Road frontage of 91 Stratton St, Belmont, Lower Hutt.	Structure: General
WGN020066	Woodhill Partnership	To replace, use and maintain three culverts on two unnamed tributaries of the Mangaroa River and to undertake associated disturbance of the stream beds.	Culvert under Johnsons Road at Kakariki subdivision, two other culverts on right of way off subdivision road	Structure: General
WGN020068	Porirua City Council	To place, use and maintain a 600mm diameter culvert in an unnamed stream under Grays Road, and to undertake associated disturbance of the bed.	Grays Road, Pauatahanui.	Structure: General
WGN020069	David Brown	To place, use and maintain a culvert, and to undertake associated disturbance of the bed, in the Elmslie Road branch of the Pinehaven Stream.	Behind the house at 19 Elmslie Road, Pinehaven.	Structure: General
WGN020072	Transit New Zealand	To replace, use and maintain the existing box culvert and concrete lined channel with a double culvert in the bed of the James Street Stream, and to install a new culvert headwall between the James Street Stream and farm drainage channel, and to undertake associated disturbance of the streambed and associated diversion of water.	End of James Street, tributary of Taupo Stream, Plimmerton.	Structure: General
WGN020073	T & T Landfills Limited	Discharge of contaminants to air associated with the quarrying and screening of approximately 32,000 cubic metres of weathered greywacke rock from the existing T&T Landfill site.	T&T Landfill, Happy Valley Road.	Discharge To Air
WGN020074	Department of Conservation	To place and maintain coastal erosion protection works in the coastal marine area, and to use and occupy the coastal marine area with those works.	Onehunga Bay, Porirua Harbour.	Structure: Hazard Mitigation
WGN020075	Transit New Zealand	Discharge contaminants, namely silt, soil, rock and other natural material, and water (which may contain contaminants) into water in Taupo Stream in connection with diversion of a tributary to Taupo Stream.	Eastern side of SH1, Plimmerton.	River/Stream Diversion
WGN020075	Transit New Zealand	To divert the flow of a tributary of Taupo Stream through a new open drain along the toe of a fill embankment on the eastern side of SH1 Plimmerton.	Eastern side of SH1, Plimmerton.	Stormwater Discharge
WGN020076	Warren Austad	To take and use groundwater for horticultural irrigation purposes.	Elizabeth Street, Waikanae.	Take

File Reference	Name1	Purpose Description	Site Description	Activity Type
WGN020077	Kapiti Coast District Council	To undertake erosion protection and stream improvement works in the Mazengarb Drain.	Fytefield Place, Paraparaumu.	Structure: Hazard Mitigation
WGN020078	Gerry Peetz	To occupy and use the coastal marine area for a swing mooring.	Off shore from Britannia Sea Scout Base, Evans Bay.	Mooring
WGN020079	Aileen Ramsbottom	To discharge dairymed effluent and washdown to a blind drain and to deposit sludge from the drain onto land as part of cleaning and maintenance.	197 Rahui Road, Otaki.	Animal Waste Discharge
WGN020080	John Allen	To construct a bore for domestic irrigation purposes.	Kohekohe Road, Waikanae.	Bore
WGN020082	Wellington City Council	To construct, use and maintain a set of stairs and to undertake associated disturbance of the foreshore in the coastal marine area at Weka Bay.	The stairs will be located at the southern end of Weka Bay by rocks at the end of the beach.	Structure: General
WGN020087	Wellington Regional Council	To place temporary bridge support structures in the bed of a tributary of the Pakuratahi River, to enable restoration work to be undertaken on the Ladle Bend Bridge.	Rimutaka Incline Walkway, Upper Hutt.	Structure: General
WGN020088	Robert Roderick	To reclaim the bed of an unnamed intermittently flowing stream.	128 Aston Road, Waikanae Downs.	Structure: General
WGN020089	Wellington City Council	To place gabions in the bed of Ohariu Stream for road protection purposes.	NW side of Takarau Gorge Rd.	Structure: Hazard Mitigation
WGN020091	Matthew Price	To occupy and use the coastal marine area with a swing mooring.	Evans Bay.	Mooring
WGN020092	Vince Osborne	To construct a bore for domestic garden irrigation.	84 Te Moana Rd, Waikanae	Bore
WGN020093	Karori Golf Club Incorporated	To take and use water for golf course irrigation purposes.	South Makara Road, Makara.	Take
WGN020095	Ray and Daneen Baker-Underhill	To place, use and maintain a culvert in an intermittently flowing stream for the purpose of providing a building platform for a dwelling.	36 Paremata Dr, Paremata	Structure: General
WGN020096	Gordon Teward	To construct a bore for domestic garden irrigation.	26 Horopito Rd, Waikanae	Bore
WGN020097	Richard White	To construct and maintain a boatshed, and to use and occupy the coastal marine area with that structure.	Onepoto, Porirua Harbour.	Structure: General
WGN020098	Hutt City Council	To construct a debris arrester; undertake various bank and streambed protection works; install new culvert pipes and replace existing culvert pipes; realign sections of stream bank and lower a section of stream bed; and install new and replace existing wing wall structures.	472 – 494 Stokes Valley Road.	Structure: Hazard Mitigation

File Reference	Name1	Purpose Description	Site Description	Activity Type
WGN020098	Hutt City Council	To divert water from Stokes Valley Stream and one of its unnamed tributaries to the public stormwater system during high flows.	472 - 494 Stokes Valley Road, Stokes Valley.	River/Stream Diversion
WGN020099	Metropolitan Lifecare Group Limited	To take and use groundwater from an existing bore for irrigation purposes.	Coastal Villas, Rimu Road, Paraparaumu.	Take
WGN020100	Wellington Regional Council	To place five concrete blocks in the bed of Duck Creek, to reinstate two existing gabion baskets, place two new gabion baskets and undertake associated disturbance of the bed.	Duck Creek in Whitby Golf Course Below the Whitby Reservoir.	Structure: Hazard Mitigation
WGN020101	Murray Pierce	Construct a bore for domestic garden irrigation.	49 Manu Gr, Waikanae.	Bore
WGN020102	Jeffery McNamara	To construct a bore for domestic garden irrigation.	32 Titoki Road, Waikanae.	Bore
WGN020102	Jeffery McNamara	To take and use groundwater from the Waikanae Groundwater Zone for garden irrigation.	32 Titoki Road, Waikanae.	Take
WGN020104	Shell New Zealand Limited	To take groundwater by way of dewatering through seven shallow bores.	Seaview Road (bounded by Barnes St, Seaview Road and Port Road.	Take
WGN020104	Shell New Zealand Limited	To take groundwater by way of dewatering through two temporary trenches.	58 - 60 Seaview Road, Seaview.	Take
WGN020108	Wellington Regional Council	To place, use and maintain a water pipe beneath the bed of Taupo Stream, and undertake associated disturbance of the bed, for the purpose of supplying potable water to Plimmerton No. 2 Reservoir.	Near intersection between Plimmerton Dr and Ulric St, Plimmerton.	Pipeline/Cable
WGN020109	Bellvista Subdivisions Limited	To reclaim approximately 190 metres of the bed of an unnamed stream for the purpose of residential subdivision.	Off Redvers Drive, Belmont, Lower Hutt.	Reclamation
WGN020109	Bellvista Subdivisions Limited	To reclaim approximately 190 metres of an unnamed stream for the purpose of residential development.	Off Redvers Drive, Belmont, Lower Hutt.	River/Stream Diversion
WGN020109	Bellvista Subdivisions Limited	To place, use and maintain a debris trap, inlet structure and outlet structure in an unnamed stream for a culvert, and to undertake associated disturbance of the stream bed, for the purpose of residential development.	Off Redvers Drive, Belmont, Lower Hutt.	Structure: General
WGN020110	DJ and BJ Griffiths	To place, use and maintain a culvert pipe in the bed of an unnamed stream at 163 Muritai Road, Eastbourne.	63 Muratai Road, Eastbourne.	Structure: General
WGN020111	Wellington Regional Council	To erect and maintain a fence in the coastal marine area, to exclude stock from revegetating bush areas.	Whitireia Park, Porirua Harbour (opposite Mana Marina entrance)	Structure: General
WGN020112	Transpower New Zealand Limited	Certificate of compliance to discharge stormwater from the Pauatahanui substation and associated activities.	Haywards Road, State Highway 58 (near Pauatahanui village and inlet)	Comprehensive Stormwater Discharge

File Reference	Name1	Purpose Description	Site Description	Activity Type
WGN020114	J Simcox	To take groundwater from an existing bore for irrigation for pasture production.	Near cowshed, at 190 Waiorongomai Road, Otaki	Take
WGN020114	J Simcox	To take groundwater from an existing bore for irrigation for pasture production.	237 Waiorongomai Road, Otaki	Take
WGN020115	Lance and Marie Wallis	To replace an existing culvert with a longer culvert and to undertake associated disturbance of the bed in an unnamed tributary of the Stokes Valley Stream.	299 Stokes Valley Road.	Structure: General
WGN020117	The Hutt City Council	To regrade a section of unnamed stream and to replace a length of "U" bend concrete channel.	Rata Street, Naenae.	Structure: General
WGN020118	Golden Bay Cement	To discharge cement dust to air from the operation of a bulk cement storage facility.	Aotea Quay Wellington	Discharge To Air
WGN020122	Rachel Woodrow	Place and maintain a concrete ford in the bed of the Mangaone Stream to enable vehicle access to property.	307 Mangaone North Road, Te Horo.	Structure: General
WGN020124	Karori Golf Club Incorporated	Drill a borehole to ascertain water volume for clubhouse use.	South Makara Road, Makara	Bore
WGN020124	Karori Golf Club Incorporated	Drilling a bore to ascertain water availability for irrigation.	South Makara Road, Makara	Bore
WGN020125	Mark Livingston Hullett	To construct and use a swing mooring.	Near old site of Lowry Bay Yacht Club and launching ramp	Mooring
WGN020126	Kaitoke H2O Ltd	To take groundwater from an existing bore for supplementary water supply.	Waterworks Road Kaitoke Upper Hutt	Take
WGN020128	Graeme Hughson	To drill a bore to abstract water for domestic use.	238 State Highway, Judgeford	Bore
WGN97004112	Wellington Regional Council	To discharge centrate, liquid sludge and drain downs and clean downs (ex-waste water recovery plant) and waste water, drain downs and cleaning (ex-water treatment plant) (which may be routed via the lined supernatant lagoon) into the sludge lagoon.	Te Marua Water Treatment Plant, Main Road North, Upper Hutt.	Industrial Waste Discharge
WGN97004117	Wellington Regional Council	To discharge supernatant into the supernatant lagoon.	Te Marua Water Treatment Plant, Main Road North, Upper Hutt	Industrial Waste Discharge
WGN97022610	Transit New Zealand	Place structures, excavate, disturb, plant plants, reclaim parts of stream bed, all activities in Taupo Stream.	Entire Plimmerton / Paremata Section.	Structure: General
WGN980153	Wellington Regional Council	To vary condition 15 and 17 of the discharge permit to discharge partly treated river water.	3 km upstream of Richard Prouse Park, Wainuiomata.	Industrial Waste Discharge
