## Regional Cycling Strategy

### 1. Purpose

To update the Committee on the Greater Wellington Regional Cycling Strategy work timeframe.

### 2. Comment

A working group has been put together comprising representatives from key agencies in the region, and will be responsible for progressing the strategy. The initial meeting of the working group saw the finalisation of the draft vision, goals, objective areas and purpose of the strategy (**attachment 1**).

A timeframe for the strategy work programme is included in this report (3.). It is expected that a draft strategy will now be ready for consideration by the Committee at the 21 August meeting. It is further anticipated that a final strategy will be ready for consideration by a special meeting of the Committee in December 2003.
