Noted

Councillors requested that a copy of the Minister's Technical Advisory Group's (TAG) report be provided to them. It was noted that chapter 7 of the TAG report provided an indication of issues that may be dealt with as part of the phase two reforms of the Resource Management Act.

It was agreed that councillors would be provided with a draft copy of the Councils submission on the Resource Management (Simplifying and Streamlining) Amendment Bill, by email, as soon as possible. Any issues around the content of the draft submission should be raised with the committee chairperson, and if necessary, councillors would discuss the content of the submission informally after the Council meeting on 2 April 2009.
