Release of this information would prejudice their privacy by disclosing the fact that they are being considered, and have expressed interest, in becoming a member of the Greater Wellington Disability Reference Group. Greater Wellington has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override their privacy.

of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(a) of the Local Government Official Information and Meetings Act 1987 (i.e to protect the privacy of natural persons).

2. Appointment to the Board of Grow Wellington

The information contained in this report relates to the appointment of directors to Grow Wellington as it would disclose the fact that they are being considered for appointment. Release of this information would prejudice the proposed member's privacy by disclosing the fact that they are being considered as directors of the region's economic development agency.
