<i>Total Mobility Phase 2 project update</i>	<i>The information in these minutes relates to procurement of a new Total Mobility electronic system. Release of this information would disadvantage the Council in its negotiations with potential providers as it would reveal Greater Wellington's negotiation strategy. Greater Wellington has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override this prejudice.</i>	<i>That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(i) of the Local Government Official Information and Meetings Act 1987 (i.e to enable Greater Wellington to carry out, without prejudice or disadvantage, negotiations).</i>
