75(a)(i)	The RTC must ensure that the RLTS contributes to the aim of achieving an affordable, integrated, safe, responsive, and sustainable land transport system	RLTS chapter 2: Vision RLTS chapter 6: Outcomes RLTS chapter 8: Policies RLTS table 5: Opportunities to improve integration of transport modes
75(a)(ii)	The RTC must ensure that the RLTS contributes to each of the following: <ul style="list-style-type: none"> ➤ assisting economic development ➤ assisting safety and personal security ➤ improving access and mobility ➤ protecting and promoting public health ➤ ensuring environmental sustainability 	RLTS chapter 5: Objectives RLTS table 1: Links between strategy objectives and outcomes RLTS table 4: Links between strategy objectives and policies
75(a)(iii)	The RTC must ensure that the RLTS is consistent with any: <ul style="list-style-type: none"> ➤ national land transport strategy ➤ relevant national policy statement or regional policy statement or regional plan that is for the time being in force under the RMA 1991 	There is currently no national land transport strategy. Consistency with the Wellington RPS is set out in: RLTS chapter 5: Objectives RLTS chapter 14: Relevant regional economic and land use considerations and likely funding RLTS Appendix 4: Legislative alignment
75(a)(iv)	The RTC must ensure that the RLTS avoids, to the extent reasonable in the circumstances, adverse effects on the environment	RLTS chapter 8.4: Policies – Environment and public health
75(b)(i)	The RTC must take into account the relevant GPS	RLTS Appendix 4: Legislative alignment The RLTS has been reviewed with the impacts sought by the current GPS in mind, with a number of minor amendments made to the text to reflect its emphasis. RLTS chapter 11: Funding
75(b)(ii)	The RTC must take into account any national energy efficiency and conservation strategy	RLTS Appendix 4: Legislative alignment RLTS Appendix 2: Statutory context RLTS chapter 7: Targets

75(c)(iii)	The RTC must take into account any relevant district plans	<p>RLTS table 2 – Outcome 6.1 ‘Improved land use and transport integration’</p> <p>RLTS chapter 14: Relevant regional economic or land-use considerations and likely funding</p> <p>RLTS chapter 8.5: Policies – Integrated Planning</p> <p>Strategic options modelling in central-case scenarios took account of where District Plans signalled desired future growth.</p>
76(a)	The RTC must also take into account any guidelines issued by the Minister for regional land transport strategies	The NZTA issued guidelines for development of an RLTS in 2004 – these are now somewhat out of date due to the 2008 amendments to the LTMA 2003 – however the general principles in the guidelines have been taken into account. NZTA officers have assisted with the current RLTS review.
76(b)	The RTC must also take into account the land transport funding likely to be available within the region for implementing the strategy during the period covered by the strategy	<p>RLTS chapter 11: Funding</p> <p>The RLTP sets out detailed funding requirements over the 3 year and ten year period.</p> <p>The NLTP includes 3 year funding allocations by region and estimated ten year funding availability for NZ as a whole.</p> <p>Likely available funding over the period of the strategy has been roughly estimated using the limited information available.</p>
76(c)	The RTC must also take into account the views of affected communities	RLTS Consultation Plan
76(d)	The RTC must also take into account the views of land transport network providers in the region	RLTS Consultation Plan
76(e)	The RTC must also take into account the need to give early and full consideration to land transport option and alternatives in a way that contributes to the matters referred to in section 75(a)(iv) and paragraph (c)	<p>RLTS Chapter 4: Strategy development</p> <p>Appendix 3: Strategic options</p>
76(f)	The RTC must also take into account the need to provide early and full opportunities for persons and organisations listed in section 78(1) to	<p>RLTS Consultation Plan</p> <p>A technical working group consisting of key stakeholders was used to review the</p>

76(g)	The RTC must also take into account the need to take account of the relevant regional council's function under section 30(1)(gb) of the RMA 1991	RLTS table 2 – Outcome 6.1 'Improved land use and transport integration' RLTS chapter 8.5: Policies – Integrated planning RLTS chapter 14: Relevant regional economic or land-use considerations and likely funding Appendix 1: Strategic transport network
77(a)	A RLTS must contain inter-regional and intra-regional transport outcomes relevant to the region	RLTS chapter 6: Outcomes
77(b)	A RLTS must contain strategic options for achieving those outcomes	RLTS chapter 4: Strategy development RLTS Appendix 3: Strategic options
77(c)	A RLTS must contain an assessment as to how the RLTS complies with sections 75 and 76	RLTS chapter 13: Assessment of RLTS
77(d)	A RLTS must contain a statement of any relevant regional economic or land-use considerations, and the likely funding of any land transport infrastructure associated with those considerations	RLTS chapter 14: Relevant regional economic or land-use considerations and likely funding
77(e)	A RLTS must contain a demand management strategy	RLTS chapter 10.1.1: Implementing the RLTS – Travel Demand Management
77(f)	A RLTS must contain an assessment of the appropriate role for each land transport mode in the region	RLTS chapter 9: The role of transport modes
77(g)	A RLTS must contain an assessment of the role of education and enforcement in contributing to the land transport outcomes	RLTS chapter 15: Role of education and enforcement
77(i)	A RLTS must contain a statement that identifies any strategic option for which co-operation is required with other regions	Appendix 3: Strategic options
77(j)	A RLTS must contain a statement that identifies persons or organisations who should be involved in the further development of strategic options	Appendix 2: Statutory context – 1.5 Roles and responsibilities
77(k)	A RLTS must contain measurable targets to be achieved to meet the outcomes of the RLTS	RLTS chapter 7: Targets

77(l)	A RLTS must contain a statement provided by an independent auditor of how the process followed by the RTC complied with the requirements of this Act	RLTS chapter 16: Auditor Statement
77(m)	A RLTS must contain a summary of the policy relating to significance adopted by the RTC under section 106	RLTS chapter 17: Summary of significance policy
