Committee Social and Cultural Wellbeing Committee
Author Murray Kennedy, General Manager, Development

General Manager's report to the Social and Cultural Wellbeing Committee 12 September 2012

1. Purpose

To inform the Committee of Greater Wellington's activities relating to the Committee's areas of responsibility.

2. The decision-making process and significance

No decision is being sought in this report.

3. Development

3.1 Water Supply

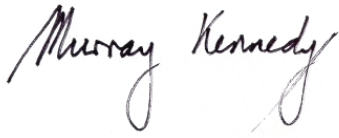

A pre-feasibility report for a small desalination plant has been completed. Although one of the key drivers for a plant of this type is increased resilience, it appears with a cost range of \$65-130M it is likely to be too expensive. Further information will be included in the Water Supply development strategy later in the year.

4. Recommendations

That the Committee:

- 1. Receives the report.*
- 2. Notes the content of the report.*

Report prepared by:
