

Recommended changes to the Parks Network Plan

1. Remove: reference to GW operational plans on pg. 35 and references to GW Plantation Forest Working Plan 2000-2010 on pg. 40 and 81.

Insert: reference to the 5 year harvest plan and annual cutting plan of the forestry harvest contractor.

2. Insert on Pg. 24, after Methods Text Box the following:

Explanation: Plantation forestry operations, harvest and ancillary activities, including the construction and maintenance of access roads and skids and the use of established quarries (pre 2013) are covered by the plantation forestry operation and harvest plans. These plans should uphold New Zealand Plantation Forestry best environmental practice and recognise and support the outcomes and policies of this plan.

3. Amend PNP Rules for use and development, pg. 108 to the following:

7.4.3 Restricted activities may include, but are not limited to:

a. Commercial activities...

g. ~~Approval~~ of the fill or cut of earthworks (minimum of 10 m³) either ~~internally~~ ~~within~~ by Greater Wellington or ~~externally~~ applied for by another party.

h. Infrastructure upgrades

i. quarries

~~i~~ j. Other activities identified in this parks network plan as restricted.

[Note – (g) the deletion of wording is to improve wording to the plan but not change the intent of the clause.]
