Dear Graeme

WAIOHINE FLOODPLAIN MANAGEMENT

On the 15 July 2015 South Wairarapa District Council considered a report from Murray Buchanan, Group Manager Planning and Environment, which recommended Council support the FMP Option 7 and to consider how the project should be rated.

Council made the following resolution:

COUNCIL RESOLVED (DC2015/116):

1. To receive the information.
1. To support the draft Floodplain Management Plan (FMP) in principle.
2. That Council's funding preference for the implementation of the FMP is scheme based with the rate levied by GWRC.
3. To advise GWRC of the above resolutions.

(Moved Cr Davies/Seconded Cr Stevens)

Carried

Councillors noted that funding of existing South Wairarapa flood protection schemes was scheme based and the above resolution was made based on the precedent in place.

Yours sincerely

Suzanne Clark
Committee Secretary
