Details of the submission you are commenting on	Original submission number	Position	Part(s) of the submission you support or oppose	Reasons	Relief sought
Name of person/ group making original submission and postal address.	The original submission number can be found on the submitter address list.	Whether you support or oppose the submission.	Indicate which parts of the original submission (which submission points) you support or oppose, together with any relevant PNRP provisions.	Why you support or oppose each submission point.	The part or whole of each submission point you wish to be allowed or disallowed.
<i>e.g.</i> Joanne Bloggs 12 Pine Tree Avenue Redwood	<i>e.g.</i> submitter S102	<i>e.g.</i> Oppose	<i>e.g.</i> Oppose all of submission point S102/41	<i>e.g.</i> The submission point does not recognise...	<i>e.g.</i> Disallow the parts of S102/41 relating to...
Porirua City Council	S163/002	Support	Agree, the further submissions period should be open for an extended duration, not just one month	This will enable full consideration of the wide variety of detailed issues that are raised by submitters	Extend deadline for further submissions
NZ Transport Agency	S146/036	Support in part	Support part of (e) to include cycling and walking transportation corridors	The definition of “strategic transport network” should include cycling and walking as important parts of transportation infrastructure	Include cycling and walking corridors in definition of “strategic transport network”
Land Matters LTD plus several other submitters	S285/051	Oppose	Oppose removing any provisions in the entire plan that seek to improve water quality with the exception of those water-bodies that have already been overallocated	It is contrary to ensuring sustainable water quality in general for the future	Do not allow change proposed by submitters
Vector Gas Ltd, NZ Transport Agency and Wellington International Airport Ltd	S145/016, S146/043 & S146/042, and S282/005	Oppose	Oppose adding new objectives to provide for and recognise that regionally significant infrastructure represents appropriate use and development in all environments where there are functional needs and / or operational requirements	Functional needs and operational requirements of infrastructure should not over-ride more important criteria for determining “appropriate use and development in all environments” . The key objective of NRP is about protection, enhancement and sustainable use of natural resources, not enabling the kind of activities that impose major	Do not allow additions proposed by submitters

				burdens on natural resources	
Wellington Civic Trust	S62/009	Support	Support amendment to Objective O57 to add words "...and has particular regard to Objectives O55 and O56"	Use and development must have particular regard to the need for public open space, and be compatible with its maritime location, not the Wellington CBD	Amend policy as suggested by submitter
Heritage New Zealand	S094/004	Support	Support retaining policies relating to culture and heritage		Retain policies as proposed
Wellington City Council	S286/006	Oppose	Oppose amendment to remove reference to 'avoid' in policies	This is a blanket amendment which is inappropriate in many of the 80 cases where some form of the word appears	Do not allow change proposed by submitter
Minister of Conservation	S75/051	Support	Support retaining Policy P3: precautionary approach as notified		Retain policy as notified
NZ Transport Agency	S146/076	Oppose	Oppose replacement of Policy 4: Minimising adverse effect	Policy 4 should be retained as it makes an important general statement across all aspects of the natural resources plan	Do not allow any changes proposed by this and many other submitters
NZ Transport Agency	S146/110	Oppose	Oppose amendment to Policy 52: Managing ambient air quality	Requirement to minimise adverse effects should not be diluted	Do not allow change proposed by submitter
Wellington Civic Trust	S62/014	Support	Support amendment to P59: industrial point source discharges	It is important to add adverse effects on amenity to wording	Amend policy as submitter recommends, and otherwise retain as notified
Wellington Civic Trust	S62/015	Support	Support amendment to P60: Agrichemicals and fumigants	It is important to add wording re adverse effects on amenity	Amend policy as submitter recommends, and otherwise retain as notified
Rangitane o Wairarapa Inc	S279/161	Support in part with further amendment	Support amending P142 Lambton Harbour Area so area must be managed to avoid adverse effects on the sites and their associated values. To do that we recommend	P142(b) should be deleted as it is contrary to Objective O56 – use and development should be compatible with the maritime setting in the coastal marine area, not the urban form of the city	Amend policy as recommended
