The specific provision of	the Proposed M	ly submission on this	sion			

The specific provision of the Proposed Natural Resources Plan that my submission relates to is (please specify the provision/ section number): Section2.2	My submission on this provision is: →	☐I support the provision ☐I oppose the provision ☐I wish to have the specific provision amended
	Reasons for my submission:	I think it is important to define climate change in the plan
	I seek the following decision from WRC (give precise details):	That Climate Change be defined as a change of climate which is attributed directly or indirectly to human activity that alters the composition of the global atmosphere and which is in addition to natural climate variability observed over comparable time periods. (Source: UN Framework Convention on Climate Change 1992.

		es Plan that this submission relates to are:
The specific provision of the Proposed	My submission on this	support the provision
Natural Resources Plan that my submission relates to is (please specify the provision/	provision is: ->	oppose the provision
section number): Section 3.4 Natural Form		⊠I wish to have the specific provision amended
and Function Objective 020.	Reasons for my	I think it is important to separae adverse effects of natural hazards from
,	submission: →	those of climate change in the plan because, while related, they do not in all
		cases relate to the same issues. The list of potential adverse effects requires
		wider definition and recognition in the plan
	I seek the following decision from WRC	That a separate objective be created for climate change and that it states:"The risk, residual risk and adverse effects of climate change on
	(give precise details):	people, ecosystems and infrastructure are recognised."
	→
