

18 January 2023

File Ref: OIAP-7-26748

Tēnā koe [REDACTED]

### **Request for information 2022-231**

I refer to your request for information dated 30 November 2022, which was received by Greater Wellington Regional Council (Greater Wellington) on 30 November 2022. You have requested the following:

- "1) Please provide a weekly breakdown of all service cancellations on the 1 Johnsonville West bus route (in both directions) from the start of the Bustrastophe started in 2019.*
- 2) Please provide a weekly breakdown of on time performance for the 1JW service (in both directions) since the bustrastophe started in 2019*
- 3) Please advise which services, on the 1 jw route, in the last 12 months have been loaded to the extent that they are unable to provide safe and comfortable transport for disabled people (in both directions from any stop).*
- 4) Please advise what actions and verifiable future key performance indicators (including timeframe for implementation and how these will be monitored and enforced) will be set to resolve the issues which the above will highlight. Also, please advise how these will be publicly reported.*
- 5) Please advise what interim measures Metlink (as the provider of this service) will put in place to help disabled people who have no other transport options and are afraid to leave the house because they do not know when a bus service will be available to allow them to return."*

On 1 December 2022 you made an additional request for:

*"Can I also please request that you provide the you number (across the entire network) of reported incidents of abuse and / or assault towards a driver that was instigated by a service failure. Eg Buses canceled, poor on time performance or insufficient capacity. If you can provide that information for the period since the bustrphhe in 2019 and also for the 3 years prior."*

**Greater Wellington's response follows:**

*Please provide a weekly breakdown of all service cancellations on the 1 Johnsonville West bus route (in both directions) from the start of the Bustrastophe started in 2019*

In response to your requests we have provided data from 1 January 2019. **Attachment One** contains the number of cancelled trips on the route 1 from 1 January 2019 to 30 November 2022. This data is grouped by month, but we have also included the raw data showing daily cancellations which you can group by week. The data is for all route 1 trips, which includes the 1 Johnsonville West. Metlink does not separate the variants of the route 1 for reporting purposes.

*Please prove a weekly breakdown of on time performance for the 1JW service (in both directions) since the bustrastophe started in 2019*

Metlink publishes performance data on our website here: <https://www.metlink.org.nz/news-and-updates/surveys-and-reports/performance-of-our-network/#DataAndReports>

Under the Bus performance data tab, you will find the Performance Data Spreadsheet. The spreadsheet has data from 16 July 2018 to present. Bus punctuality is reported on weekly, broken down by route and is updated monthly.

*Please advise which services, on the 1 jw route, in the last 12 months have been loaded to the extent that they are unable to provide safe and comfortable transport for disabled people (in both directions from any stop).*

Metlink is committed to making public transport accessible and convenient for all passengers. Priority seating is available on nearly all Metlink trains Metlink buses and is intended for a range of customers including people with disabilities and mobility issues. Passengers with disabilities or impairments, whether visible or invisible, are entitled to ask passengers sitting in a priority seat to give up their seat. Drivers and train staff are able to ensure priority seating policies are followed by all passengers. Further information on accessible journeys can be found on our website: <https://www.metlink.org.nz/getting-started/accessibility-guide/>.

Metlink does not have data on whether a bus trip is able to provide safe and comfortable transport for disabled people. Accordingly, I am refusing this part of your request under section 17 (g)(i) of the Act as the information you have requested is not held by Greater Wellington, or another local authority.

However, **Attachment Two** contains a list of the trips on the route 1 where the usual loading capacity of the vehicle was exceeded. This information is available from 1 December 2021 to 2 December 2022 and may be used as an indication of whether a service was able to provide comfortable transport for all our customers, including disabled people.

*Please advise what actions and verifiable future key performance indicators (including timeframe for implementation and how these will be monitored and enforced) will be set to resolve the issues which the above will highlight. Also, please advise how these will be publicly reported.*

The current key performance indicators (KPI) relating to cancellations (Reliability KPI) and on time performance (Punctuality KPI) are published on our website in the Deed of Variation: Performance Regime starting from page 12: <https://www.metlink.org.nz/assets/Contracts/Deed-of-Variation-Performance-Regime-2021-v2.pdf>. Note there is some information redacted under section 7(2)(b)(ii) as releasing the information would be likely to unreasonably prejudice the commercial position of the person who is subject to the information.

We have considered whether the public interest in the requested information outweighs Greater Wellington's need to withhold the information that has been redacted. As a result, we do not consider that the public interest outweighs Greater Wellington's reason for withholding parts of the document under the grounds identified above.

There are no KPIs relating to loading capacity of vehicles.

The KPIs are monitored by the team in Metlink from data supplied by our contracted ticketing agent, Snapper. This data is available to Metlink and our operators. Bonuses and abatements for KPIs are assessed and applied monthly.

KPI performance results are published on the Metlink website which shows the reliability and punctuality of our services. <https://www.metlink.org.nz/news-and-updates/surveys-and-reports/performance-of-our-network/>

*Please advise what interim measures Metlink (as the provider of this service) will put in place to help disabled people who have no other transport options and are afraid to leave the house because they do not know when a bus service will be available to allow them to return*

We endeavour to update the Metlink App with all current information on services so customers can check which services are running and plan their journey accordingly. Total Mobility services are available for disabled people who cannot independently use regular public transport services. More information on Total Mobility is available on the Metlink website: <https://www.metlink.org.nz/getting-started/accessibility-guide/total-mobility/>

Metlink is working with members of the Disability Community on an Accessibility Action Plan which will include measures to address some of the issues you note to make public transport more accessible for our disabled customers.

*Number of reported incidents of abuse or assault*

Metlink has a concerted focus on the safety and well-being of public transport staff and customers. Metlink has no tolerance for abusive or violent behaviour on the public transport network. When

incidents of abuse or assaults on bus drivers occur, it is rarely possible to determine why the abuse or assault occurred. When an incident is logged in our system, a reason for the abuse or assault is not recorded.

Therefore, we do not hold any data as to whether any incidents of abuse or assault on bus drivers have occurred due to a service failure. Accordingly, I am refusing this part of your request under section 17(g)(i) of the Act as the information is not held by Greater Wellington, or another local authority.

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under s 27(3) of the Act.

Please note that it is our policy to proactively release our responses to official information requests where possible. Our response to your request will be published shortly on Greater Wellington's website with your personal information removed.

Nāku iti noa, nā

Tim Shackleton  
Kaiwhakahaere Matua Waka-ā-atea | Acting General Manager Metlink
