Kia ora Daran,

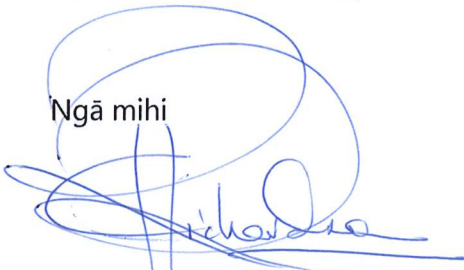

Response to your letter regarding the Wellington Airport Express bus service

Thank you for your letter.

I am responding on behalf of Richard Hawke, Acting Chief Executive of Toitū Te Whenua, Land Information New Zealand.

At Toitū Te Whenua, we encourage staff to use public transport, this includes the Airport Express. As part of our ongoing sustainability commitments, we will continue to support staff to use public transport as an option for work travel.

Ngā mihi
