Method 16 (clean)

Method 16: Information about locations with good access to the *strategic transport network*

Prepare and disseminate information to support the identification of locations with good access to the *strategic transport network*.

Wellington International Airport (tracked)

Wellington International Airport including all supporting navigational infrastructure including its infrastructure and any buildings, installations, and equipment required to operate, maintain, upgrade and develop the airport located on, or adjacent to any such area, land and water used in connection with the airport or its administration.

This includes infrastructure, buildings, installations and equipment not located on airport land.

Wellington International Airport (clean)

Wellington International Airport including infrastructure and any buildings, installations, and equipment required to operate, maintain, upgrade and develop the airport located on, or adjacent to, land and water used in connection with the airport.

This includes infrastructure, buildings, installations and equipment not located on airport land.

Regionally significant infrastructure

Regionally significant infrastructure includes:

- pipelines for the distribution or transmission of natural or manufactured gas or petroleum, including any associated fittings, appurtenances, fixtures or equipment
- a network operated for the purposes of telecommunications, as defined in section 5 of the Telecommunications Act 2001
- a network operated for the purpose of radiocommunications, as defined in section 2(1) of the Radio Communications Act 1989
- the *National Grid*
- facilities for the generation and/or transmission of electricity where it is supplied to the *National Grid* and/or the local distribution network
- facilities for the electricity distribution network, where it is 11kV and above. This excludes private connections to the local distribution network
- the local authority water supply network (including intake structures) and water treatment plants
- the local authority wastewater and stormwater networks and systems, including treatment plants and storage and discharge facilities
- the *Strategic Transport Network* (including ancillary structures required to operate, maintain, upgrade and develop that network)
- The following local arterial routes: Masterton-Castlepoint Road, Blairlogie/Langdale/Homewood/Riversdale Road and Cape Palliser Road in Wairarapa, Tītahi Bay Road and Grays Road in Porirua, and Kāpiti Road, Marine Parade, Mazengarb Road, Te Moana Road, Akatārawa Road, Matatua Road, Rimu Road, Epiha Street, Paekakariki Hill Road, The Parade [Paekakariki] and The Esplanade [Raumati South] in Kāpiti
- Wellington City bus terminal and Wellington Railway Station terminus
- Wellington International Airport including all supporting navigational infrastructure including its infrastructure and any buildings, installations, and equipment required to operate, maintain, upgrade and develop the airport located on, or adjacent to any such area, land and water used in connection with the airport or its administration.

This includes infrastructure, buildings, installations and equipment not located on airport land.

- Masterton Hood Aerodrome
- Kapiti Coast Airport
- Commercial Port Areas and infrastructure associated with Port related activities **in the Lambton Harbour Area** within Wellington Harbour (Port Nicholson) and adjacent land used in association with the movement of cargo and passengers, **and** including bulk fuel supply infrastructure, and storage tanks for bulk liquids, and associated wharflines
- Silverstream, Spicer and Southern landfills
