

Register of Pecuniary Interests of Greater Wellington Regional Councillors

Summary of annual returns at 28 January 2025

Introduction

Since 20 November 2022, elected members of local authorities are required to make an annual return of the required pecuniary interests (as set out in Subpart 3 of Part 4 of the Local Government Act 2002 (the Act)). The local authority appoints a Registrar, who keeps these returns in a register of pecuniary interests.

This report summarises the annual returns for the 12 month period from 29 January 2024 to 28 January 2025 for the elected members of Wellington Regional Council. This summary is then made publicly available (as required by section 54A(3) of the Act) on Greater Wellington's website.

Registrar's comments

This is the third summary of annual returns by Greater Wellington Regional Councillors under the Act and for the 2022–25 triennium.

In addition, Greater Wellington operates a framework and process for elected members' annual disclosure, and the management, of their pecuniary interests for the purpose of the Local Authorities (Members' Interests) Act 1968 and non-financial personal interests that do or may intersect with their role. A summary of these disclosures is also available on Greater Wellington's website.
