Dear Mayors and Chairs

Voting at council committee meetings

On 18 September 2026, the Local Government (System Improvements) Amendment Act 2026 received Royal assent. The Act reserves voting rights on council committees, joint committees, subcommittees, and other subordinate decision-making bodies ("specified committees") for elected members only.

As I have stated previously, the purpose of this change is to strengthen democratic accountability. Councils may continue to appoint non-elected members to specified committees to provide expertise, stakeholder perspectives, or community representation. However, unless an exception applies, non-elected members must not vote and are not counted toward the quorum of the meeting.

Your council must comply with the Act from 18 March 2027. The purpose of this transition period is to ensure you have enough time to change the structure of or delegations to your council's specified committees, if required.

The Act also provides for certain exceptions. These include committees or appointments that are required under or for the purposes of another enactment and arrangements required to give effect to Treaty settlements.

Additionally, the Act provides for the Governor-General, on the recommendation of the Minister of Local Government, to grant exceptions where the Minister is satisfied these are necessary or desirable. Exceptions may be time-limited or indefinite, and with or without conditions.

My expectations are that exceptions will be granted rarely. The Government's policy is that non-elected members should generally be non-voting. Councils seeking an exception will therefore need to demonstrate a clear and specific justification that supports the statutory test that the exception is necessary or desirable.

The next page of this letter contains information on how requests for exceptions will be considered.

If your council considers that an exception may be required, I encourage you to submit a request in writing to the Minister of Local Government by 18 November 2026 enclosing:

- A copy of a resolution from your council in support of the exception.
- Information about the issue the exception would address, why existing governance arrangements would not adequately address the issue, and how the council would manage the issue without an exception.
- Information about the role of the committee, the proposed role of non-elected members, and the steps that would be taken to maintain democratic legitimacy and public accountability.
- Information about how the exception fits within the broader statutory framework, including any comparable precedents.

Requests regarding a joint committee should ideally have the support of all councils who are members of the joint committee.

Requests should contain sufficient information for the Minister to recommend the exception to the Governor-General.

Officials at the Ministry for Cities, Environment, Regions and Transport (MCERT) will assess any requests received and provide advice to the Minister of Local Government after the election. It is my intention that decisions will be made and communicated early next year, and exceptions will come into force at the end of the transition period.

Yours sincerely

Hon Simon Watts
