**MINUTE OF THE ENVIRONMENT COURT**

**(30 MAY 2022)**

---

[1] The Court has considered the response dated 4 May 2022 to the Court’s minute dated 7 April 2022.

[2] The Court requires more information concerning the “Part 2” amendments in the draft consent order. The Council has referred to some appeal points, but not corresponding submission points. The Council says the intention of these amendments is “to give effect to the NPS-FM 2020 and Te Mana o te Wai”. New proposed Section 1.5.3 notes that the Plan may not yet give full effect to the NPS-FM 2020 and indicates that the Council intends to notify changes to the Plan by 31 December 2024 to give full effect to the NPS-FM 2020.

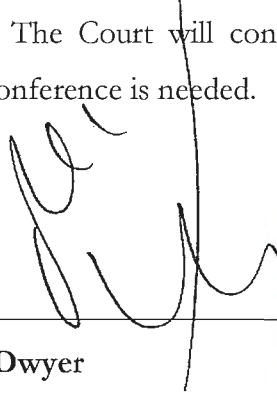

[3] The Council is requested to address (as soon as practicable):

- Submission points that support the appeal points referred to in paragraph [27] of the memorandum of 4 May 2022;
- The extent to which and the manner in which the draft consent order “Part 2” amendments give effect to NPS-FM 2020 and Te Mana o te Wai;
- The relationship between the “Part 2” amendments and any other higher

order documents.

[4] The Court will consider the Council's response and whether a hearing or teleconference is needed.
