**To:** The Registrar  
Environment Court  
Wellington

1. CentrePort Limited and CentrePort Properties Limited (**CentrePort**) wish to be a party to the following proceedings:
  - (a) *Transpower New Zealand Limited v Greater Wellington Regional Council* – ENV-2019-WLG-000108.
2. CentrePort made a submission and a further submission about the subject matter of the proceedings and has an interest in the proceedings that is greater than the interest that the general public has as the owner and operator of the Wellington Port and lifeline facility.
3. CentrePort is not a trade competitor for the purposes of section 308C of the Resource Management Act 1991 (the **RMA**).
4. CentrePort is interested in part of the proceedings.
5. CentrePort is interested in the following parts of the proceedings:
  - (a) Section 3.2 – Objective O12;
  - (b) Section 3.2 – Objective O13; and
  - (c) Section 4.2 – Policy P12.
6. CentrePort supports the relief sought, including for the following reasons:
  - (a) The relief sought to insert ‘and provided for’ in Objective O12 and Policy P12 is appropriate given the importance of regionally significant infrastructure and renewable energy generation activities and will ensure that appropriate linkages exist between the objective and policy;

- (b) The requested deletion of the words “in the coastal marine area and beds of rivers and lakes” in Objective O13 appropriately recognises that regionally significant infrastructure should be protected beyond the coastal marine area and the beds of rivers and lakes; and
- (c) The requested deletion of the words “in the coastal marine area and beds of rivers and lakes” in Policy P12 appropriately recognises that there are functional and operational requirements associated with developing, operating, maintaining and upgrading regionally significant infrastructure beyond the coastal marine area and the beds of rivers and lakes.

7. CentrePort agrees to participate in mediation or other alternative dispute resolution of the proceedings.
