1. At Hearing 1 on 6 June 2017, the Panel requested various further information from Wellington Water Limited. The information in response to that request accompanies this memorandum. It comprises:
 - (a) A supplementary statement by Carolyn Wratt, with marked-up versions of the changes proposed to PNRP provisions;
 - (b) A set of maps depicting locations of relevant Wellington Water Limited infrastructure in relation to Schedule C sites;
 - (c) A copy of the recent Environment Court Minute in *Yaldhurst Quarries Joint Action Group v Christchurch City Council* — which indicates the current thinking of at least one division of that Court to the role of Part 2 post-*Davidson* (which is of potential relevance to your consideration of the drafting of PNRP provisions).
