MEMORANDUM GRANTING LEAVE TO FILE EVIDENCE LATE FROM HORTICULTURE NEW ZEALAND

Hearing Stream 3

1. The Hearing Panel, on Monday 21 August 2017, received a request seeking leave to file planning evidence late for the Water Allocation/Natural Form and Function Topic for Hearing Stream 3, from Horticulture New Zealand (Submission #307).
2. The request, sought a delay to file expert planning evidence for Water Allocation/Natural Form and Function Topic for Hearing Stream 3; that evidence being due at 5pm on Tuesday 22 August 2017.
3. The reason for the request in the delay in filing of the planning evidence for Water Allocation Topic for Hearing Stream 3 relates to the submitters' planner being involved in extended mediation for another Plan Change hearing process.
4. The request is granted. The planning evidence for the Horticulture New Zealand for the Water Allocation/Natural Form and Function Topic for Hearing Stream 3 is due at 5pm on Wednesday 23 August 2017. This will still allow adequate time for this evidence to be considered by the Panel, the Council and other submitters before the hearings commence on 4 September 2017.
