Subject: PNRP Notice of Hearing - Hearing Stream 3 - request for an extension of time

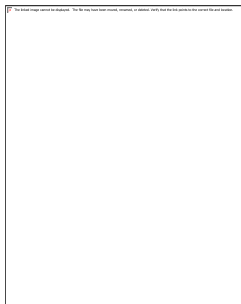

Good morning

Expert evidence is due for Hearing Stream 3 today. Our planning expert Tom Anderson is currently on sick leave after being poked in the eye accidentally by his daughter. At this stage, it is unclear when Tom will be able to complete his evidence. We (Spark and Chorus request an extension of time until Friday 25th August 2017.

We are happy to update the panel on progress. If any more information is required please let me know.

Graeme
