## NOTICE OF PERSON'S WISH TO BE PARTY TO PROCEEDINGS

*Section 274, Resource Management Act 1991*

**To:** The Registrar  
Environment Court  
Wellington

1. Kāpiti Coast District Council (**the Council**) wishes to be a party to the following proceedings, being an appeal regarding the Proposed Natural Resources Plan (**Proposed Plan**) for the Wellington Region.

ENV-2019-WLG-000116: *Porirua City Council v Wellington Regional Council*

2. The Council is a local authority (section 274(1)(b) of the Resource Management Act 1991 (**RMA**)).
3. The Council is not a trade competitor for the purposes of section 308C or 308CA of the RMA.
4. The Council is interested in all of the proceedings.
5. The Council supports the relief sought by Porirua City Council because:
  - (a) The Proposed Plan needs to recognise the benefits and importance of, and provide for, the operation, maintenance and upgrade of infrastructure. This includes appropriate consideration of the potential for other development to affect infrastructure. Although the benefits of infrastructure are acknowledged in the Proposed Plan, the provisions (in particular the rules) appear to focus unduly on the adverse effects of the operation, maintenance and upgrade of key infrastructure;
  - (b) Some flexibility is needed in the Proposed Plan to enable necessary work to manage and maintain infrastructure;
  - (c) The Council considers that the relief sought by Porirua City Council appropriately recognises and provides for the operation, maintenance and upgrade of infrastructure. In particular, the relief sought will go some way to ensuring that existing and future infrastructure is not unjustifiably constrained;

- (d) It also agrees that, without amendment, the provisions of the Proposed Plan have the potential to result in a significant and unjustified regulatory burden for local authorities; and
  - (e) Amendments to the provisions are needed to ensure they are appropriate in terms of section 32 of the RMA and meet the purpose of the RMA as expressed in Part 2.
6. The Council agrees to participate in mediation or other alternative dispute resolution of the proceedings.

**DATED** this 9<sup>th</sup> day of October 2019
