1. This memorandum responds to the Hearings Panel minute dated 9 June (Minute 5) requesting confirmation from those parties who wish to conference in relation to the definition of Regionally Significant Infrastructure (**RSI**) and Policy P4 (**RSI conferencing**).
2. Wellington International Airport Limited confirms it does wish to be involved in the RSI Conferencing and understands NZTA has offered to coordinate this process.
3. The Panel will recall that during the hearing proceedings on Wednesday 7 June Counsel agreed to liaise with other RSI providers who made similar submissions seeking a new more enabling objective for the development of RSI. A response was to be provided to the Panel by 19 June.
4. That process has commenced but given the limited time available and the content of the RSI Conferencing it maybe more appropriate and efficient for this matter to be included in the RSI Conferencing.
