1. Wellington Civic Trust wishes to be a party to the proceedings set out in the table below.
2. Wellington Civic Trust has made a submission related to the subject matter of the proceedings within Lambton Harbour, and is also party with an interest in the proceedings that is greater than that of the general public.
3. Wellington Civic Trust is not a trade competitor for the purposes of [section 308C](#) or [308CA](#) of the Resource Management Act 1991.

<b>Environment Court Ref No and name of Appellant</b>	<b>Name of Appellant</b>	<b>Part(s) of appeal of interest to Wellington Civic Trust</b>	<b>Support/Oppose relief + reasons</b>
ENV-2019-WLG-000106	Minister of Conservation	The Appeal relating to Policy P132, paragraph 6.15 of the Appeal notice, and the relief sought in paragraphs 7.34 and 7.35 of the notice.	Supports in part the relief sought, as new development within the coastal marine area of the Lambton Harbour Area should be subject to policy that retains the maximum coastal sea area

			and access for the public. The relief sought is largely consistent with the Civic Trust's own appeal.
ENV-2019-WLG-000117	Wellington International Airport Ltd	The appeal and relief sought relating to Objective 53, and Policy 132, Annexure E of Appeal	Supports in general, as there is no reason to treat the coastal marine area within Lambton Harbour any differently from any other part of the coastal marine area.
