

## **Notice of Wellington Water Limited's wish to be party to proceedings**

**To the Registrar  
Environment Court  
Wellington**

1. Wellington Water Limited (**WWL**) wishes to be a party to the following appeal of decisions on the Proposed Natural Resources Plan for the Wellington Region:

### **First Gas Ltd v Wellington Regional Council, ENV-2019-WLG-000132**

2. WWL is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
3. WWL agrees to participate in mediation or other alternative dispute resolution of the proceedings.
4. WWL is interested in the part of the proceedings related to:

### **Rule R107 - activities in significant natural wetlands**

5. WWL supports the relief sought in relation to this part.
6. The relief sought appropriately reflects the benefits of regionally significant infrastructure. WWL supports this for the reasons set out in WWL's primary and further submissions and appeal (ENV-2019-WLG-123) in relation to related objectives and policies about regionally significant infrastructure (O12, O13, P12, P13 and P14).
7. WWL is interested in the part of the proceedings related to:

### **Rule R112 - Maintenance, repair, replacement, upgrade or use of existing structures (excluding the Barrage Gates)**

8. WWL opposes the relief sought in relation to this part.
9. The relief sought introduces a subjective standard into the permitted activity conditions that makes the conditions uncertain.
10. WWL made submissions Objectives O12 and O13, Policies P4, P12, P13 and P14, and Rule R112; and has an interest in the subject matter of the appeal that is greater than the interest that the general public has, because the

appeal relates to provisions that affect water infrastructure and services for which WWL is responsible.
